The UWA experience

The University of Western Australia is recognised as one of Australia’s leading universities for postgraduate studies. You will be educated by world-renowned academics, study with like-minded peers and create professional connections around the world.

Engage with industry
At UWA you’ll not only receive a world-class degree, you’ll gain valuable experience that prepares you for your future career. Our extensive employer engagement and collaborations provide you with practical, real-world experiences in addition to valuable professional networking opportunities. As a result, our graduates consistently exceed national average starting salaries and State graduate employment rates.

study.uwa.edu.au/industry

Our dedicated Careers Centre can help you design your future, supporting you with employability-skills workshops, employer and networking events, career fairs, online jobs board, mentoring and more.

careers.uwa.edu.au

Enterprise and innovation
The new Futures Observatory at UWA embraces our ever-changing technological world and enables ‘futures thinking’ among those who seek a more engaging learning atmosphere. The Observatory trains staff in the latest emerging technologies, allowing students to engage with hands-on, educational experiences. From robots to ‘virtual reality, and collaborative touch screens’ to 3D printers, you can work with state-of-the-art developments that are changing the way we teach and learn.

You can also get involved with the University’s Innovation Quarter (UWA IQ), which promotes industry innovation and student entrepreneurship. The multidisciplinary program aims to assist and build upon student projects that have the potential to make a difference to the University and the wider community. Join the Bloom group to meet and work with like-minded classmates who have a brain for business.
Global networks of knowledge and research

UWA partners world-class lecturers and researchers with the teaching technologies of tomorrow to deliver students a leading learning environment. A strong focus on knowledge and research capabilities means you will be at the forefront of a rapidly evolving world and ready to succeed in your career of choice.

**High-class research**

With more than 75 research institutes and centres, UWA fosters links with local, national and international industries and governments. The strength of our research output makes us appealing to researchers of international standing, many of whom head major research centres with global connections. This means as a student you’ll benefit from the knowledge and expertise of the University’s staff, with networking opportunities that can lead to career possibilities around the world. Together, UWA’s high-calibre researchers and students are solving some of today’s most critical and challenging problems, from spinal-cord injury repair to ensuring the stability of large offshore oil and gas platforms.

UWA is home to six highly cited researchers.

The research of these scholars is recognised as among the most highly cited in the world.

by Thomson Reuters
Research with international impact

Exploring uncharted waters on dry land
A new 26-tonne centrifuge at UWA allows researchers to test the suitability of deep-water structures, using scaled models to demonstrate how offshore foundations work under different conditions. This one-of-a-kind facility gives the University a chance to provide valuable data to companies such as Woodside, Shell, Fugro and Lloyd’s Register.

Bringing an end to superbugs
Our researchers have led a worldwide team to map the 3D structure of the EptA protein. EptA helps deadly bacteria hide from antibiotics and the immune system, creating multi-drug resistance. This research breakthrough could unlock the defences of superbugs and open the door to saving millions of lives.

Discovering gravitational waves
A group of scientists from UWA, led by Professor David Blair and working with an international project team, have opened a window to the cosmos by confirming a major prediction of Albert Einstein’s general theory of relativity. For the last seven years, the group has worked to detect ripples in the fabric of space-time and prove that the black holes of Einstein’s theory are out there.

Spotlight on UWA’s Nobel Laureate
Professor Barry Marshall was awarded a Nobel Prize in 2005, for his revolutionary co-discovery of the stomach-ulcer-causing bacterium Helicobacter pylori. Professor Marshall continues to treat patients and leads UWA research teams within the Marshall Centre for Infectious Diseases Research and Training, of which he is a director.
Fast facts

Cultural diversity
Perth offers a safe and friendly environment. People of more than 200 different nationalities live, work and study in WA, speaking over 170 languages (studyperth.com.au)

Getting around
International students receive a Western Australian government-sponsored 40 per cent discount on all public transport. Free buses called CATs operate around the central business district (CBD).

A unique campus

Located on a river bend in Crawley just minutes from the City of Perth, UWA is often described as one of Australia’s most picturesque campuses.

uwa.edu.au/campus-tour

▲ Relax in heritage-listed gardens and open courtyards

 <! Kayak, row or sail on the Swan River

 ▼ Tour UWA and climb the iconic clock tower

 Watch a movie on campus at Sommerville Outdoor Cinema ▼
Socialise at cafés on campus and shop at nearby supermarkets ▶

▲ Enjoy UWA’s mix of grand architecture and modern facilities

◀ Visit the stunning Cottesloe Beach 6km away

▼ Enjoy nature and stunning views at Kings Park, one of the largest inner-city parks in the world

Try different cuisines at one of the many exciting food trucks on campus ▶

The Albany Centre

UWA also has a high-tech regional campus in the Great Southern town of Albany – a four-hour drive from Perth. Here you can experience all that regional Western Australia has to offer while studying at university.

For more information visit albany.uwa.edu.au/courses
Student life

At UWA, we like to think of ourselves as more than a university. We’re a community, made up of passionate and dedicated staff, students and alumni. Discover a new culture, meet new people and have fun while you complete your studies with us.

UWA Student Guild
Student life at UWA is vibrant, with social activities on campus organised by the UWA Student Guild, the representative student organisation. The UWA Student Guild has a reputation for being one of the most active in Australia. It organises countless activities including festivals, workshops, end-of-semester parties, networking opportunities, the Guild Ball (formal dance) and the National Campus Band competition, and runs more than 140 clubs and societies. [uwa.studentguild.com](http://uwa.studentguild.com)

The Guild also provides student representation, with staff on hand to give extra support to you on academic, financial or welfare matters affecting your study. The free Guild membership entitles students to great discounts on campus and at restaurants, shops, activities and services around Perth.

The Guild Village
The Guild Village is a hive of activity and houses shops, food outlets, a medical centre, hairdresser, bank and other useful student amenities. The regular market day is the place to buy inexpensive, locally made clothes, jewellery and more.

Volunteering
The Guild Volunteering office helps students find their perfect volunteering role. Many opportunities may be added to your degree transcript and you can choose to work in a range of fields (sports, education, arts, environment, health and more). These opportunities range from drop-in sessions to one-day events and ongoing projects. The office also runs weekend volunteering trips, which are fun, affordable ways to see more of WA.

The Postgraduate Students’ Association (PSA)
The PSA represents postgraduate students on campus as well as holding a number of events throughout the year including Research Week, Careers Week, sundowners, cocktail parties, afternoon teas, a quiz night and a sports day. The PSA also runs a grants scheme for small postgraduate group activities. All postgraduate students automatically become members upon enrolment. [uwastudentguild.com/psa](http://uwastudentguild.com/psa)

Whether you play sport to stay active or to socialise with friends, you can unleash your inner athlete with UWA Sport.

- Access more than 50 group fitness classes a week or use the state-of-art equipment and multiple training zones with your gym membership
- Visit the Water Sports Complex on the beautiful foreshore at Matilda Bay – home to the UWA Boat Club and Outdoor Club
- There are swimming pools, tennis and squash courts, and the UWA Sports Park with large open playing fields is nearby.
- Take part in numerous social sports, clubs and fun programs
- Join in the fun with a range of activities from stand-up paddle boarding, to rock climbing and yoga to name a few, or participate in outdoor, improve on your swimming skills or learn first aid
- The Australian Institute of Sport (AIS) endorses UWA as a member of the national Elite Athlete Friendly University network.
- Take on another faculty or college, or choose to represent UWA at high-level sporting competitions such as Western Uni Games and Australian Uni Games. [sport.uwa.edu.au](http://sport.uwa.edu.au)

Coursework degrees
Our postgraduate coursework degrees help you develop a thorough understanding of an area of study, diversify your educational background or obtain specific vocational training.

Coursework degrees include:
- Graduate certificates
- Graduate diplomas
- Master’s by coursework
- Master’s by coursework and dissertation
- Clinical doctorates
- Professional doctorates

Postgraduate professional degrees
A postgraduate professional degree is a master’s or doctorate-level course, taken upon completion of a bachelor’s degree (or equivalent). Upon successful completion, it qualifies you to enter a profession.

Choose your degree
We offer a range of options for postgraduate study. From professional and coursework degrees to independent research, you’ll find a style of learning to match your needs.
Research degrees
Students keen to contribute knowledge and develop important skills or explore an area of personal interest may consider a research degree. These involve a project of supervised but independent enquiry at an advanced level, resulting in the submission of a research thesis (or equivalent) which is examined by experts in the field.

Research degrees include:
- Master’s by thesis and coursework
- Master of Philosophy (MPhil)
- Professional doctorates
- Doctor of Philosophy (PhD)

Articulation/articulated course
Articulation may be available within certain sets of courses. It is a sequence of related postgraduate courses in a specific discipline area, offering progression from one course level to another with credit granted for all units passed to the appropriate standard in the previous level. Graduate certificates, graduate diplomas and/or master’s degrees may form part of this sequence. See table below for more information.

The UWA Business School is one of the premier business schools in the Asia-Pacific region. The School inspires and propels talented students from around the world to become the respected and innovative academic, community and business leaders of tomorrow.

We are one of only eight institutions in Australia to hold international accreditation from both EQUIS (the European Quality Improvement System) and AACSB (the Association to Advance Collegiate Schools of Business). This ensures our degrees are recognised by employers worldwide, and guarantees the quality of our teaching, research and other operational areas.

Our major corporate partners include ATCO Australia, BHP, EY, Macquarie Group, PricewaterhouseCoopers, Wesfarmers and Woodside. These industry links enable us to provide a richer education for our students and ensure our programs are relevant and valuable to industry.

**BUSINESS SCHOOL**

*The following masters by coursework programs share the same entry requirements:*

- Applied Finance
- Business and Information and Logistics Management
- Commerce
- Human Resources and Employment Relations
- Marketing
- Professional Accounting

**Requirements**

There are three entry pathways.

**Pathway One**

A bachelor’s degree, or an equivalent qualification, as recognised by UWA, and one of the following:

(a) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) a valid Graduate Management Admission Test (GMAT)* with a score of at least 550; or
(c) at least five years of relevant documented professional experience considering by UWA to be sufficient to permit satisfactory completion of the course requirements.

GMAT scores are valid for five years.

**Pathway Two**

A UWA graduate certificate which articulates with this course with a weighted average mark of at least 65 per cent.

**Pathway Three**

A graduate certificate or equivalent from an equivalent and accredited course from another institution, with a weighted average mark of at least 70 per cent.

---

**Master of Business Administration Flexible**

**study.uwa.edu.au/mba-flex**

**UWA course code:** 42520  
**CRICOS code:** 06984K  
**Duration:** 16 months  
**Intake period:** January, May, August  
**Mode of study:** coursework  
**2018 tuition fee:** AUD$73,500

---

**COURSE DESCRIPTION**

The MBA Flexible includes core studies in all the principal areas of business: accounting and finance, economics, management, marketing, strategy and decision making. A wide range of option units is available in areas including entrepreneurship and innovation, finance, leadership, natural resource management and social impact.

In addition, you can choose to participate in extracurricular networking and professional development activities.

**Requirements**

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and at least three years of relevant documented professional experience; and

(i) the equivalent of a UWA weighted average mark of at least 65 per cent; or
(ii) a valid Graduate Management Admission Test (GMAT)* score of at least 550; or
(iii) at least two additional years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;

---

**Graduate Certificate in Business**

**study.uwa.edu.au/gc/business**

**UWA course code:** 41210  
**CRICOS code:** 089264G  
**Duration:** 4-8 months  
**Intake period:** January, May, August  
**Mode of study:** coursework  
**2018 tuition fee:** AUD$34,500

---

**COURSE DESCRIPTION**

This course offers experienced professionals with or without a first degree the opportunity to complete a postgraduate qualification and enhance their management skills. You are equipped with knowledge in the principal areas of business. The course consists of four units, covering topics in accounting, economic management, marketing, and organisational behaviour. The Graduate Certificate in Business can serve as an entry pathway to the MBA Flexible.

**Requirements**

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and at least three years of relevant, documented professional experience; and

(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(ii) a valid Graduate Management Admission Test (GMAT)* score of at least 550; or
(iii) at least two additional years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;

---

I chose to study at UWA because of its positive reputation, accomplished history and also because of the gorgeous campus which is located beside the beautiful Swan River. The MBA gave me the knowledge, skills and confidence to become an effective leader. I now look at business issues and opportunities from a much broader perspective.

Ashley La Jung Hong  
Director — Corporate Venture Capital

The University of Western Australia | International Postgraduate Course Guide 2018–2019 21
Business School

Graduate Certificate in Commerce

study.uwa.edu.au/gc/commerce

UWA course code: 42180
CRICOS code: 08926F
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$18,900

COURSE DESCRIPTION

This course comprises four units in accounting, economics, management and marketing. This is a stand-alone qualification, and can also serve as an entry point into the Master of Commerce. This course is ideal for graduates who do not hold an undergraduate degree in business.

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) at least eight years of relevant, documented, professional experience considered by UWA (following an interview and assessment process by the Faculty) to be sufficient to satisfy completion of the course.

Master of Commerce

study.uwa.edu.au/m/commerce

UWA course code: 41680
CRICOS code: 00527M
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$38,300

COURSE DESCRIPTION

The Master of Commerce includes core studies in all the principal areas of business: accounting, economics, management, marketing, global business and ethics, as well as a range of specialisations and option units.

This course is suitable for both business and non-business graduates wishing to gain advanced skills across a broad range of business areas.

Specialisations

Choose from the following specialisations:

- Accounting
- Business information and logistics management
- Economics
- Employment relations
- Finance
- Human resource management
- Management
- Marketing

Requirements

Refer to the standard requirements on page 21. UWA will also consider a Graduate Certificate in Business or equivalent from an equivalent and accredited course with a weighted average mark of at least 70 per cent.

- 1.5 years with relevant undergraduate degree.
Master of Human Resources and Employment Relations

study.uwa.edu.au/m/hr-relations

UWA course code: 41660
CRICOS code: 083269F
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$37,800

COURSE DESCRIPTION

The Master of Human Resources and Employment Relations (HRER) provides you with the specialist knowledge and expertise to work in human resource management or related fields such as industrial relations, recruitment, employee development or human resources planning.

Topics include broad introductory units in HRER, together with specialised units in areas such as assessment and selection, strategic human resource management, negotiation, managing workplace diversity, and international employment relations.

Requirements

Refer to the standard requirements on page 21. UWA will also consider a Graduate Certificate in Business or equivalent from an equivalent and accredited course with a weighted average mark of at least 70 per cent.

1. 1.5 years with relevant undergraduate degree.

Master of Marketing

study.uwa.edu.au/m/marketing

UWA course code: 41690
CRICOS code: 084133F
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$37,800

COURSE DESCRIPTION

The Master of Marketing is designed for marketing professionals and also those who seek to move into this field. Topics covered in this course include advertising, brand management, competition, marketing research, marketing strategy, sales management, and services marketing.

Requirements

Refer to the standard requirements on page 21. UWA will also consider a Graduate Certificate in Business or equivalent from an equivalent and accredited course with a weighted average mark of at least 70 per cent.

1. 1.5 years with relevant undergraduate degree.

Graduate Certificate in Public Policy

study.uwa.edu.au/gc/public-policy

UWA course code: 42280
CRICOS code: 095766G
Duration: 1.5 years
Intake period: February (full-time or part-time), July (part-time only)
Mode of study: coursework
2018 tuition fee: AUD$518,900

COURSE DESCRIPTION

The Graduate Certificate in Public Policy is designed to give graduate students an understanding of the role of the government in economic activity and public policy decision making. Students undertake a specialisation in either Economics or Public Administration and Governance. It focuses on how the government interacts with the economy through; for example: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Students who successfully complete the graduate certificate may be eligible to progress into the Master of Public Policy with full credit for completed units.

Requirements

A bachelor’s degree, or an equivalent qualification, as recognised by UWA; and either:

(a) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(b) a valid Graduate Management Admission Test (GMAT) score of at least 5501; or

(c) at least five years of relevant, documented professional experience considered by UWA (following an interview and assessment process) to be sufficient to permit satisfactory completion of the course.

1. GMAT is valid for 5 years.

Master of Public Policy

study.uwa.edu.au/m/public-policy

UWA course code: 42580
CRICOS code: 095656G
Duration: 1.5-2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$37,800

COURSE DESCRIPTION

This course gives you a multidisciplinary understanding of the role of government in economic activity and public policy decision making. The course focuses on how government interacts with the economy and society. Topics include: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Graduates are equipped for a variety of jobs, including policy analysts and managers in the public sector.

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(b) the equivalent of a UWA weighted average mark of at least 60 per cent; or

(i) a valid Graduate Management Admission Test (GMAT) score of at least 550; or

(iii) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

1. GMAT scores are valid for 5 years.

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710
CRICOS code: 079212K
Duration: 2 years
Intake period: throughout the year
Mode of study: thesis
2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) 6.5 (minimum of 6.5 in reading and writing and no other band lower than 6.0).

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810
CRICOS code: 003319G
Duration: 4 years
Intake period: throughout the year
Mode of study: thesis
2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest, as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) 6.5 (minimum of 6.5 in reading and writing and no other band lower than 6.0).
UWA’s Graduate School of Education maintains a tradition of excellence in both teaching and research. We offer world-class postgraduate courses for future teachers, current teachers and research candidates, and our graduates take on leadership roles in education all over the world.

We produce the highest quality graduates for global and local settings through our outstanding teaching and supervision, comprehensive support, and the fine balance of theory and practice in our courses.
Graduate School of Education

study.uwa.edu.au/mr/education

UWA course code: 31700
CRICOS code: 003029G
Duration: 1.5 years
Intake period: February, July
Mode of study: thesis and coursework
2018 tuition fee (per year): AUD$31,600

COURSE DESCRIPTION

The delivery arrangements for this research-based course are flexible and are aligned with the needs of those in full-time professional or management careers.

You are provided with comprehensive preparation in conceptualising, conducting and reporting research in education, and are encouraged to pursue coursework and research in your own particular area of interest.

Requirements

To be considered for admission to this course an applicant must have the requirements set out in (a), (b) or (c) which follow or the equivalent as recognised by the School; or the requirements set out in (d) or (e):

(a) (i) a bachelor’s degree, or a relevant qualification, as recognised by UWA; and
(ii) completed a postgraduate course in education requiring at least one year of full-time study; and
(iii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or

(b) (i) the Bachelor of Education of this University; and
(ii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or

(c) (i) a degree requiring at least four years of full-time study; and
(ii) two years’ full-time professional experience in the field of education; and
(iii) adequate research preparation demonstrated to the satisfaction of the School;

or

(d) a graduate diploma of this University that articulates with the Master of Education with an average of at least 65 per cent in three coursework units including a mark of at least 65 per cent in EDUC5631 Approaches to Research; and

or

(e) completed at least three units towards a graduate diploma that articulates with the Master of Education; and

(i) completed units relevant to the requirements of the masters course; and
(ii) achieved an average mark of at least 65 per cent in three coursework diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research.

English language requirement: IELTS (Academic) 7.5 (no band less than 6.5). Applicants presenting with the Pearson Test of English (PTE) (Academic) score less than 64.

Master of Education

study.uwa.edu.au/m/education

UWA course code: 30580
CRICOS code: 003029G
Duration: 1 year
Intake period: February, July
Mode of study: coursework and dissertation
2018 tuition fee (per year): AUD$31,600

COURSE DESCRIPTION

The Master of Education introduces you to theory achieved an average mark of at least 65 per cent in EDUC5631 Approaches to Research.

You are introduced to theory, methods applicable to the field of learning, along with knowledge of research principles and methods applicable to the field of learning.

Requirements

(a) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA in a relevant field with first or upper second class honours, or equivalent; or
(ii) a master’s degree, or an equivalent qualification, as recognised by UWA in a relevant field with an average of at least 70 per cent, and adequate research preparation as prescribed in University Policy, or equivalent; and
(b) (i) the equivalent of at least two years’ full-time professional educational experience.

(c) A student who has completed the doctoral coursework component with an average mark of 65 per cent and with a mark of at least 65 percent in EDUC9973 Research Paradigms: Doctoral Project Report is permitted to proceed to the Doctoral Thesis unit.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Educational Leadership

study.uwa.edu.au/m/education-leadership

UWA course code: 31650
CRICOS code: 064891G
Duration: 1.5 years
Intake period: February, July
Mode of study: thesis and coursework
2018 tuition fee (per year): AUD$31,600

COURSE DESCRIPTION

This course is aimed at educators who are either current or aspiring leaders in their organisations.

You are introduced to theory in national and international educational practices, and encouraged to connect these considerations with your own experiences to broaden your knowledge and improve your skills. The course also presents an opportunity to select an area of specialisation while maintaining sufficient flexibility for tailoring to your individual needs. The course delivery arrangements are flexible and particularly suited to the requirements of people in full-time careers.

Requirements

(a) (i) a degree requiring at least four years of full-time study; and
(ii) at least two years’ full-time relevant professional experience or evidence of adequate research preparation;

or

(b) (i) a Bachelor of Education, or an equivalent qualification, as recognised by UWA; and
(ii) at least two years of relevant full-time professional experience or evidence of adequate research preparation;

or

(c) (i) a degree requiring at least four years of full-time study; and
(ii) at least two years of relevant full-time professional experience; and
(iii) evidence of adequate research preparation;

or

(d) a graduate diploma that articulates with the Master of Education.

English language requirement: IELTS (Academic) 7.5 (no band less than 6.5). Applicants presenting with the PTE Academic requiring an overall score of at least 70, with no sub-score less than 64.

“The academics at UWA are leading experts in the field. The supervisors of my doctoral thesis— which is about school leadership in Indonesia—are very experienced and have provided clear direction, guidance and professional support. My degree has prepared me with the expert knowledge to succeed in international education.”

Dwi Esti Andriani Lecturer – Educational Administration Department
Faculty of Education Yogyakarta Indonesia, Doctorate in Education graduate, Home country: Indonesia

The University of Western Australia | International Postgraduate Course Guide 2018–2019 25
with your own experiences through the sharing of ideas and information. The course provides you with comprehensive preparation in conceptualising, conducting and reporting research, especially as applied to the substantive area of educational leadership.

Requirements
To be considered for admission to this course an applicant must have the requirements set out in (a), (b) or (c) which follow or the equivalent as recognised by the School; or the requirements set out in (d) or (e):

(a) a Bachelor of Education or equivalent as recognised by UWA; and
(ii) a postgraduate course in education requiring at least one year of full-time study; and
(iii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

(b) a Bachelor of Education or equivalent as recognised by UWA; and
(ii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

(c) a degree requiring at least four years of full-time study; and
(ii) two years’ full-time professional experience in the field of education; and
(iii) adequate research preparation demonstrated to the satisfaction of the School;

(d) a graduate diploma that articulates with the Master of Educational Leadership with an average of at least 65 per cent in three coursework units including a mark of at least 65 per cent in EDUC5631 Approaches to Research;

(e) completed at least three units towards a graduate diploma that articulates with the Master of Educational Leadership or towards another relevant graduate diploma of the Faculty; and
(ii) completed units relevant to the requirements of the masters course; and
(iii) achieved an average mark of at least 65 per cent in three coursework diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810
CRICOS code: 003318J
Duration: 4 years
Intake period: throughout the year
Mode of study: thesis
2018 tuition fee (per year): AUD$34,200

COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements
Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5).

Graduate Certificate in Studies

study.uwa.edu.au/gc/studies

UWA course code: 002900
CRICOS code: 006970
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$15,650

COURSE DESCRIPTION

This course is designed for graduates who have diverse personal, academic and/or professional interests and want to pursue those interests through postgraduate study. The Graduate Certificate in Studies articulates with the Master of Studies and allows students to complete four units (24 points) at postgraduate level from any discipline. This is an opportunity to study different areas of personal or professional interest before you consider a Master of Studies.

Requirements
To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5).
Master of Studies
study.uwa.edu.au/m/studies

UWA course code: 00500
CRICOS code: 08695K
Duration: 1.5 years
Intake period: February
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$37,300

COURSE DESCRIPTION
This course is designed for graduates who have diverse personal, academic and/or professional interests and want to pursue those interests through postgraduate study.

Requirements
Applicants must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Teaching
study.uwa.edu.au/m/teaching-primary
study.uwa.edu.au/m/teaching-early-child

UWA course code: 31520
CRICOS code: 077502G
Duration: 2 years
Intake period: February
Mode of study: coursework
2018 tuition fee (per year): AUD$31,600

COURSE DESCRIPTION
This course prepares university graduates for a rewarding career in teaching. By studying a teaching degree at UWA you gain valuable practical experience in our many partner schools and work with outstanding lecturers who integrate theory and practice across learning areas.

Specialisations
Choose from the following specialisations:
• Early Childhood
• Primary

Early Childhood
Early childhood teachers play a critical role in preparing young children for lifelong learning, personal wellbeing and participation in society. This course places a strong emphasis on in-depth knowledge of the research, theory and practical skills required of educators in early childhood settings, from birth to the lower primary years.

The Master of Teaching (Early Childhood) qualifies you to work in government and non-government schools, both in Australia and internationally, as well as in a range of other early childhood setting such as childcare centres.

Primary
Primary teachers are pivotal in helping children build strong foundations and confidence in their learning. This course provides in-depth knowledge on how to support children in their development of knowledge, understanding and skills across a range of learning areas. The Master of Teaching (Primary) qualifies you to teach in primary schools.

Requirements
(1) (a) a bachelor’s degree, or an equivalent qualification; and
(b) at least one year of the bachelor’s degree relevant to one or more learning areas in the Early Childhood or Primary school curriculum for applicants who wish to major in Early Childhood or Primary Teaching respectively.
(2) Applicants who have a bachelor’s degree in education, or an equivalent qualification, are not eligible for admission.
(3) Applicants with qualifications from institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7.5, with no sub-score less than 7.0, and no less than 8.0 in speaking and listening. Applicants presenting with the Cambridge English: Advanced (CAE) require an overall grade of B or above, with a score of 'exceptional' for listening and speaking, and at least 'good' for reading and writing.
(4) Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada, the United Kingdom and the United States of America must provide evidence of English language competence in accordance with the requirements of the Teacher Registration Board of Western Australia.
(5) An English bridging course is not regarded as evidence of English language competence.
(6) International students must obtain a Criminal Record Check from their country of origin or recent residence.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.0 in reading and writing and 8.0 in listening and speaking).

Note: Applicants must also provide a personal statement at the point of application.

Graduate School of Education

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student undertakes a professional practice unit.

The equivalent qualification must be at a level of academic achievement considered by UWA to be sufficient to permit satisfactory completion of the course. The equivalent of a UWA weighted average mark of at least 60 is used as a guide to decision making, however, admission to the course is competitive.

Master of Teaching
study.uwa.edu.au/m/teaching-secondary

UWA course code: 32550
CRICOS code: 077502G
Duration: 2 years
Intake period: February
Mode of study: coursework
2018 tuition fee (per year): AUD$31,600

COURSE DESCRIPTION
This course prepares university graduates for a rewarding career in teaching. Candidates must have a degree with a major in the subject that they want to teach and which can be found in the school curriculum. This course aims to graduate highly skilled professionals who have the key practical skills required for effective secondary teaching, informed by current theory and research. As there is a severe shortage of secondary Mathematics and Physics teachers in Australian schools, we particularly encourage students with qualifications in those areas to consider a career in teaching.

Requirements
(1) (a) a bachelor’s degree, or an equivalent qualification; and
(b) a major relevant to secondary teaching curriculum majors offered by UWA; and
(c) the equivalent of a UWA weighted average mark of at least 60 per cent.
(2) Applicants who have a bachelor’s degree in education, or an equivalent qualification, are not eligible for admission.
(3) Applicants with qualifications from institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7.5, with no sub-score less than 7.0, and no less than 8.0 in speaking and listening. Applicants presenting with the Cambridge English: Advanced (CAE) require an overall grade of B or above, with a score of 'exceptional' for listening and speaking, and at least 'good' for reading and writing.
(4) Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada, the United Kingdom and the United States of America must provide evidence of English language competence in accordance with the requirements of the Teacher Registration Board of Western Australia.
(5) An English bridging course is not regarded as evidence of English language competence.
(6) International students must obtain a Criminal Record Check from their country of origin or recent residence.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.0 in reading and writing and 8.0 in listening and speaking).

Note: Applicants must also provide a personal statement at the point of application.

Graduate School of Education

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student undertakes a professional practice unit.

The equivalent qualification must be at a level of academic achievement considered by UWA to be sufficient to permit satisfactory completion of the course. The equivalent of a UWA weighted average mark of at least 60 is used as a guide to decision making, however, admission to the course is competitive.

Additional information
Early childhood, primary and secondary teaching requirements

Teacher education students are required to obtain a National Criminal Record Check and a Working with Children Clearance before being placed on teaching practice. Students must also obtain a police clearance before placement and it is strongly recommended that international students obtain this from their home country before arriving in Australia.
The UWA Law School has a proud history of 90 years of excellence in legal education, scholarship and research. As a graduate of the UWA Law School you join the ranks of more than 7000 alumni who have achieved extraordinary success in a range of careers. UWA graduates include solicitors, barristers and magistrates; District, Supreme and High Court judges; politicians, including a former Australian prime minister; CEOs; in-house counsel of large national and international corporations; banking, finance and taxation specialists; environmentalists; human rights activists; and leaders of national and international NGOs.

The UWA Law School’s suite of postgraduate courses aims to meet the needs of law and non-law graduates wishing to either become a lawyer or develop specialist legal expertise. Our flagship course, the Juris Doctor, prepares students with the knowledge and skills necessary to become the lawyer they want to be and that the world needs.

Graduate Diploma in Chinese Business Law

study.uwa.edu.au/gd/chinese-business-law

COURSE DESCRIPTION

The course provides you with a comprehensive and advanced knowledge of how to conduct business in China and how to deal with legal and cultural issues in Chinese commercial and economic relations with foreign traders. The course offers an optional China engagement trip.

Requirements

- (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
- (b) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
- the equivalent of a UWA weighted average mark of at least 65 per cent; or
- (c) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
- the equivalent of a UWA weighted average mark of at least 60 per cent; or
- (d) completed 24 points of the Graduate Diploma in Commercial and Resources Law of this University with a UWA weighted average mark of at least 60 per cent.¹

¹ A cognate area for the Master of Commercial and Resources Law includes Business, Commerce, Finance, Natural Resources, Law and similar disciplines.

² Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of Commercial and Resources Law

study.uwa.edu.au/m/comm-resources-law

COURSE DESCRIPTION

The course prepares both legal and non-legal professionals with the knowledge and skills for a future in the resources sector. You attain a strong understanding of regulatory frameworks relevant to the resources sector as well as commercial and corporate issues of concern to industry. Topics include oil, gas, mining and energy law, water resources, climate change and environmental law, as well as a number of corporate and commercial subjects.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
(b) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
the equivalent of a UWA weighted average mark of at least 65 per cent; or
(c) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
the equivalent of a UWA weighted average mark of at least 65 per cent; and
(iii) at least two years of relevant professional experience; or
(d) completed 24 points of the Graduate Diploma in Commercial and Resources Law of this University with a UWA weighted average mark of at least 60 per cent.¹

¹ A cognate area for the Master of Commercial and Resources Law includes Business, Commerce, Finance, Natural Resources, Law and similar disciplines.

² Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Graduate Diploma in International Law

study.uwa.edu.au/gd/int-law

COURSE DESCRIPTION

Taught by a team of international experts, this course is suited to both the current law practitioner and those pursuing a career relevant to international law in government, non-government and private. The course is available to both law and non-law graduates.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
(b) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
the equivalent of a UWA weighted average mark of at least 65 per cent; or
(c) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

“...the equivalent of a UWA weighted average mark of at least 60 per cent; and
(ii) at least two years of relevant professional experience; or
(d) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; and
(ii) at least two years of relevant professional experience.

The course helped me gain a larger perspective of international law, which I can use in my current job, where I deal with international tenders and contracts. The new knowledge I acquired from my course has also increased the possibilities to work abroad.”

Christa Krell Attorney—COWI, Denmark
Master of Laws graduate. Home country: Denmark
Graduate Diploma in International Commercial Law
study.uwa.edu.au/gdf/int-comm-law

UWA course code: 21310
CRICOS code: 08384G
Duration: 0.5 years
Intake period: throughout the year
Mode of study: coursework
2018 tuition fee: AUD$18,650

COURSE DESCRIPTION
Learn the legal aspects of finance, sales, shipping and other commercial transactions from internationally respected experts.

The course is suitable for current law practitioners and also to those in other fields.

Requirements
(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;
(b) (i) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent; or
(c) (i) completed 24 points of the Graduate Diploma in International Law of this University; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(d) completed at least 48 points towards a Master of International Relations of this University.

Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of International Relations and Master of International Law
study.uwa.edu.au/m/int-law-int-relations

UWA course code: 21540
CRICOS code: 098296A
Duration: 2 years
Intake period: January, June
Mode of study: coursework
2018 tuition fee (per year): AUD$35,200

COURSE DESCRIPTION
The combined Master of International Relations and Master of International Law offers the opportunity to develop an advanced understanding of both the politics and mechanisms of international affairs. Suited to both lawyers and non-lawyers, this program is for those who wish to further their careers in a range of sectors requiring international expertise. Students acquire both qualifications in a shorter time frame than if undertaking them individually through the granting of advanced standing of key relevant units.

The program begins with the Master of International Relations course, and upon successful completion of 48 credit points, you gain direct entry to the Master of International Law.

Requirements
To be eligible for admission, an applicant must meet the admission requirements for each course.

(a) Refer to page 44 for the Master of International Relations entry requirements; and
(b) See the Master of International Law entry requirements on page 37.

Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of International Commercial Law
study.uwa.edu.au/m/int-comm-law

UWA course code: 21510
CRICOS code: 083854M
Duration: 1 year
Intake period: throughout the year
Mode of study: coursework
2018 tuition fee: AUD$37,300

COURSE DESCRIPTION
Develop an in-depth understanding of the complexities and challenges of international commerce. You gain an integrated overview of commerce at an international level and develop an advanced knowledge of the core disciplines of trade, finance, shipping and commercial law.

Requirements
(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
(b) (i) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent; or
(c) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

Master of Commerce and Master of International Commercial Law
studyat.uwa.edu.au/m/commerce-int-commercial-law

UWA course code: 43540
CRICOS code: 088011C
Duration: 2 years
Intake period: January, June
Mode of study: coursework
2018 tuition fee (per year): AUD$549,000

COURSE DESCRIPTION
Through the cross-disciplinary expertise of the Law School and the Business School, graduates have the opportunity to attain two sought after qualifications in a shorter time frame and less than if they were undertaking the two courses individually.

By undertaking both degrees you learn how to conduct commerce and gain an understanding of the legal framework for how commerce is regulated, enabling you to gain a 360 degree perspective and positioning you as an authority in the field.

Requirements
Applicants must meet the admission requirements for both the Master of Commerce (see page 22) and Master of International Commercial Law (see page 30).
Graduate Diploma in Law, Policy and Government

study.uwa.edu.au/gd/law-policy-gov

UWA course code: 21340
CRICOS code: 088858B
Duration: 0.5 years
Intake period: throughout the year
Mode of study: coursework
2018 tuition fee: AUD$18,650

COURSE DESCRIPTION

The course provides you with an advanced understanding of socio-legal theory and policy development and is suited to those looking to build a career in the public sector, working as legal practitioners or those in the private industry where their role intersects with government approval, regulation and compliance.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or

(b) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and

(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or

(ii) completed 24 points of the Graduate Diploma in Law, Policy and Government of this University;1

(iii) at least two years of relevant professional experience;

or

(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and

(iii) at least two years of relevant professional experience;

or

(i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; and

(ii) at least two years of relevant professional experience.

1 Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Graduate Diploma in Natural Resources Law

study.uwa.edu.au/gd/nat-res-law

UWA course code: 21360
CRICOS code: 095412E
Duration: 0.5 years
Intake period: throughout the year
Mode of study: coursework
2018 tuition fee: AUD$17,860

COURSE DESCRIPTION

All students study a foundation unit in law governance. Students also choose three option units, from topics such as mining law, climate change, oil and gas project development, heritage, water resources, and international shipping.

Students who successfully complete the diploma may be eligible to progress into the Master of Mining and Energy Law or Master of Commercial and Resources Law, with full credit for completed units.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or

(b) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and

(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or

(ii) the equivalent of a UWA weighted average mark of at least 65 per cent; and

(iii) at least two years of relevant professional experience;

or

(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and

(iii) at least two years of relevant professional experience;

or

(i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; and

(ii) at least two years of relevant professional experience.

1 Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of Mining and Energy Law

study.uwa.edu.au/m/mining-energy-law

UWA course code: 20550
CRICOS code: 091153G
Duration: 1 year
Intake period: throughout the year
Mode of study: coursework
2018 tuition fee: AUD$37,300

COURSE DESCRIPTION

The course has been designed to provide legal and non-legal professionals with the expertise to pursue careers in the mining and energy industries by exposure to units focusing on the law relevant to these industries. You will learn about petroleum, law, mining law, corporate governance and the agreements used in the petroleum industry.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or

(b) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and

(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or

(ii) the equivalent of a UWA weighted average mark of at least 65 per cent; and

(iii) at least two years of relevant professional experience;

or

(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and

(iii) at least two years of relevant professional experience; or

(i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; and

(ii) at least two years of relevant professional experience.

1 Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Graduate Diploma in Taxation Law

study.uwa.edu.au/gd/taxation-law

UWA course code: 21350
CRICOS code: 088238F
Duration: 0.5 years
Intake period: throughout the year
Mode of study: coursework
2018 tuition fee (per year): AUD$18,650

COURSE DESCRIPTION

This advanced program is designed to give tax professionals the expertise necessary to specialise in the complex and varied field of taxation law. Students have the option of specialising in either domestic or international tax law and develop an advanced understanding of the technicalities of tax law in a range of specialist areas.
Graduate Diploma in Legal Practice

study.uwa.edu.au/gd/legal-practice

UWA course code: 02030
CRICOS code: 013880D
Duration: 1.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$537,300

COURSE DESCRIPTION

Designed as a bridging course for overseas lawyers, the course is only available to those who have fulfilled the requirements of a law degree, have been admitted to practice (usually in another country) and have been advised by the Legal Practice Board of Western Australia to undertake extra units of study to be admitted to practice in Western Australia.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or equivalent, as recognised by UWA; and
(b) an assessment of this qualification by the Legal Practice Board of Western Australia that outlines which units are required to practice.

(i) a level and duration of education, as well as at least two years of professional experience.

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, in a related area, which includes an element in Taxation Law; or
(b) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, in a related area; and
(i) at least six months of relevant professional experience; or
(c) a level and duration of education, as well as at least two years of professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or equivalent, as recognised by UWA; and
(b) an assessment of the qualification by the Legal Practice Board of Western Australia that outlines which units are required to practice.

(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and
(iii) completed LAWSS132 Income Taxation Law at UWA, or equivalent; or
(c) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(i) the equivalent of a UWA weighted average mark of at least 60 per cent; and
(ii) completed the units for the Graduate Diploma in Taxation Law corresponding to the appropriate specialisation.

English language requirements

All UWA Law courses (except the Juris Doctor and research courses) share the following English language requirements: IELTS (Academic) overall score minimum of 7.0, no band less than 6.5 (must include Academic Reading and Writing modules).

Juris Doctor and research English language requirements: IELTS (Academic) overall score minimum of 7.5, (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

(b) an assessment of the qualification by the Legal Practice Board of Western Australia that outlines which units are required to practice.

(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and
(iii) completed the units for the Graduate Diploma in Taxation Law corresponding to the appropriate specialisation.

Master of Business Administration and Master of Laws

study.uwa.edu.au/mba/laws

UWA course code: 43530
CRICOS code: 038901D
Duration: 2 years
Intake period: January
Mode of study: coursework
2018 tuition fee (per year): AUD$49,000

COURSE DESCRIPTION

Through the cross-disciplinary expertise of the Law School and the Business School, graduates have the opportunity to attain two sought after qualifications. This course is suited to law graduates seeking to distinguish themselves in both law and business.

Requirements

Applicants must meet the requirements for the MBA Full Time Intensive (see page 21) and for the Master of Laws (see page 32).
Master of Business Administration and Master of International Commercial Law

study.uwa.edu.au/mba-int-commercial-law

UWA course code: 40540
CRICOS code: 06801C
Duration: 2 years
Intake period: January
Mode of study: coursework
2018 tuition fee (per year): AUD$49,000

COURSE DESCRIPTION

Through the cross-disciplinary expertise of the Law School and the Business School, graduates have the opportunity to attain two sought after qualifications. This course is suited to both law and non-law graduates seeking to distinguish themselves in both law and business.

Requirements

Applicants must meet the requirements for the MBA Full Time Intensive (see page 21) and for the Master of International Commercial Law (see page 30).

Juris Doctor

study.uwa.edu.au/d/juris-doctor

UWA course code: 40260
CRICOS code: 06796C
Duration: 3 years
Intake period: January
Mode of study: coursework
2018 tuition fee (per year): AUD$49,000

COURSE DESCRIPTION

A professional practice coursework program for non-law graduates who are interested in obtaining the academic qualification necessary to practise law in Australia. The course focuses on legal skills, including drafting, legal research and advocacy.

For Juris Doctor application guidelines see page 34.

Requirements

1. (a) a relevant bachelor’s degree or equivalent as recognised by UWA;
(b) The Law School GPA will be calculated by removing the lowest marks from up to four units or the equivalent of the semester (0.5 FTE) of your undergraduate (bachelor) degree. The minimum level of study to be used to calculate the Law School GPA is 12 units (0.5 FTE).
(c) the equivalent of a UWA Law School grade point average (GPA) of at least 5.5; and
(d) Law School Admission Test (LSAT) score of at least 150, taken within five years prior to applying for admission to the course.
2. (1) Direct Pathway students are exempt from (1)(c).
(3) To be considered for admission to this course via the Equity and Diversity Pathway an applicant must have:
(a) held a protection, refugee or humanitarian visa within seven years prior to applying for admission to this course; or
(ii) experienced significant personal, medical, social, educational, cultural or financial disadvantage or hardship, including any disadvantage or hardship resulting from an applicant’s sexual orientation or gender identity that has had an effect on their prior academic studies; and
(b) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(c) (i) the equivalent of a UWA Law School GPA of at least 5.5 across all tertiary studies; or
(ii) the equivalent of a UWA Law School GPA of at least 5.0 across all tertiary studies, and a satisfactory LSAT score as determined by the JD selection committee (comprised of members nominated by the Dean of the UWA Law School) that places the student within the quota for this pathway.

Before admission, international students must obtain a criminal record check from their country of origin or recent residence.

English language requirement:
IELTS (Academic) overall score minimum of 7.5, (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

1 The Law School GPA is calculated by removing the lowest marks from up to four units or the equivalent of the semester (0.5 FTE) of your undergraduate (bachelor) degree. The minimum level of study to be used to calculate the Law School GPA is 12 units (0.5 FTE).

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 08710
CRICOS code: 031970A
Duration: 2 years
Intake period: Throughout the year
Mode of study: research
2018 tuition fee (per year): AUD$34,200

COURSE DESCRIPTION

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirements: IELTS (Academic) overall score minimum of 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810
CRICOS code: 003316M
Duration: 4 years
Intake period: Throughout the year
Mode of study: research
2018 tuition fee (per year): AUD$34,200

COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) overall score minimum of 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).
Juris Doctor application guidelines: about the Law School Admission Test (LSAT)

As part of the application process for the UWA Juris Doctor (JD), applicants are required to sit the Law School Admission Test (LSAT). The LSAT is an independent, international test administered by the Law School Admission Council (LSAC), which sends results directly to the UWA Law School.

The LSAT can be taken in any Australian capital city and in many countries around the world. Applicants should consult the LSAC website to confirm all registration and test date information as dates may vary depending on the centre location. Applicants who have taken the test within the last five years may use those results for admission purposes.

Do I have to sit the LSAT?
Applicants applying under the standard pathway for the UWA JD are required to have already sat or registered for the last LSAT of the calendar year, before applying. UWA Direct Pathway, Advanced Diploma in Indigenous Studies and some Equity and Diversity applicants are exempt from sitting the LSAT.

What can I expect in the LSAT?
The LSAT comprises five multiple choice sections of 35 minutes each and a 35-minute writing sample. The writing sample does not contribute to the calculation of your LSAT score at UWA, although we receive this sample.

The LSAT has three types of questions:
* Reading comprehension
* Analytical reasoning
* Logical reasoning

Go to ‘About the LSAT’ on the LSAC website for a more detailed description of these three question types and what to expect in the LSAT. Information on how the questions in the LSAT are relevant in testing an applicant’s aptitude to study law are also available.

How should I prepare for the LSAT?
In order to perform to your true ability, it is strongly recommended that you take the time to prepare for the LSAT. The LSAC website includes information on LSAT Preparation Materials, providing links to sample questions with explanations and a couple of sample LSAT tests. Applicants are encouraged to download the sample LSAT test online and sit it under exam conditions to decide for themselves if further preparation is needed.

Where can I get more help to prepare for the LSAT?
Many bookshops stock LSAT preparation books which can be ordered online. These books are useful in assisting applicants to perform to their true ability. There is also plenty of material available online that provides tips for LSAT preparation.

Will the selection committee read my LSAT essay?
The UWA Law School Selection Committee will not use the LSAT essay when assessing applications.

When can I sit the LSAT?
The LSAT runs four times per year. The LSAT scores are valid for five years and the test can be taken three times in any two-year period. Further information is available on the LSAC website.

Can I resit the LSAT?
If you believe your test score does not reflect your true ability, you can resit the LSAT. Visit the LSAC website to check the number of times you are allowed to sit the test.

If I resit the LSAT, which score does the selection committee take into consideration?
The selection committee will note all your scores but will use your highest score when considering your application.

How does UWA retrieve my results?
You must include your eight-digit LSAC account number where indicated on the online application form. This allows us to download your LSAT scores directly from LSAC once results are released.

How do I register?
You can register for the LSAT online at the LSAC website at lsac.org/jd/choosing-a-law-school/australia.

Admission deadlines should be taken into account when selecting your test date.
The School of Design is dedicated to excellence in teaching, learning, practice and research in multiple aspects of building and visual culture, design and art.

Postgraduate coursework and research programs attract high-quality students from around the world seeking to advance scholarship in the disciplines of Architecture, Landscape Architecture, Urban Design, Art History and Visual Arts.

Areas of teaching and research strengths:
- Future cities
- Critical studies of the built environment
- Landscape urbanism
- Affordable and sustainable housing
- Innovative design technologies
- Urban history
- Australian visual culture
- Indigenous art
- Nineteenth and twentieth-century modernism
- Experimental art

The University of Western Australia | International Postgraduate Course Guide 2018-2019 35
**Master of Architecture**

**Master of Architecture (Design)**

study.uwa.edu.au/m/architecture-design

UWA course code: 25520
CRICOS code: 058203K
Duration: 2–3.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$36,700

**Course Description**

The Master of Architecture emphasises the application of concepts to the design of specialised building projects, with a focus on context, environmental performance and sustainability. You complete core units in technology and practice and then direct your study within a range of option units in design, technical and critical studies streams.

**Professional Accreditation**

This professionally accredited degree satisfies the academic requirements to become a registered architect and is recognised internationally by the Commonwealth Association of Architects (CAA) and the Cairns Accord.

**Requirements**

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and

(b) the equivalent of a UWA weighted average mark of at least 60 per cent.

Students admitted to the course having completed a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and any other requirements for admission of the University, and

(i) have a bachelor's degree of this University or equivalent qualification, as recognised by UWA; or

(ii) have previously undertaken work, which in the Board’s opinion is of a sufficiently high standard, towards a higher degree by research in this or another approved institution but has not submitted it for any degree; and have completed and had approved by the Board, on the recommendation of the supervisor and the School of Design, a Doctor of Architecture (Design) research proposal; or

(iii) have the degree of bachelor of this University or equivalent qualification, as recognised by UWA, and have since graduation completed at a satisfactory level a Higher Degree by Research Preliminary Program, or equivalent, in the subject area in which research is to be undertaken; and

(b) have sufficient architectural design experience as determined by the Board on the recommendation of the Head of the School of Design.

**Master of Architecture (Design) Requirements**

Students must have sufficient architectural design experience as determined by the Board on the recommendation of the Head of the School of Design.

**Doctor of Architecture (Design)**

study.uwa.edu.au/d/architecture-design

UWA course code: 25920
CRICOS code: 058020M
Duration: 1 year
Intake period: throughout the year
Mode of study: research (creative work)
2018 tuition fee (per year): AUD$34,700

**Course Description**

The Doctor of Architecture (Design) is a program of independent, supervised research leading to the presentation of an exhibition of architectural design equivalent in scope to the fully resolved design of a building of major cultural significance.

**Requirements**

Applicants must demonstrate that they have fulfilled the requirements of the University Policy on: Adequate Research Preparation (postgraduate, uwa.edu.au/schools/research-preparation) and any other requirements for admission of the University, and

(a) (i) have a bachelor's degree of this University or equivalent qualification, as recognised by UWA; and

(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and

(iii) at least two years of relevant, documented professional experience; or

(b) (i) a relevant bachelor’s honours degree with first or second class honours, or an equivalent qualification, as recognised by UWA; and

(ii) at least one year of relevant, documented professional experience; or

(c) a relevant professional masters degree, or an equivalent qualification, as recognised by UWA;

**Relevant areas are:** Architecture, Engineering, Quantity Surveying, Construction Management, Building and Project Management

**Master of Building Information Modelling**

study.uwa.edu.au/m/building-information-modelling

UWA course code: 25540
CRICOS code: 094494F
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$34,700

**Course Description**

This course is aimed at advancing knowledge and skills acquired by experienced professionals in engineering, construction, quantity surveying, architecture, project management, and associated industries. The accelerated program extends your practice into powerful and valuable applications of digitally-based, data-rich building information models. You develop your potential to innovate creative and considered solutions for our technological, economic, and built futures.

**Requirements**

(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(ii) at least two years of relevant professional experience; or

(b) (i) a relevant professional masters degree, or an equivalent qualification, as recognised by UWA;

(ii) at least two years of relevant professional experience; or

(c) a relevant professional masters degree, or an equivalent qualification, as recognised by UWA;

**English Language Requirements**

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc

**Master of Curatorial Studies in Fine Arts**

study.uwa.edu.au/m/curatorial-studies-fa

UWA course code: 25770
CRICOS code: 077500K
Duration: 2 years
Intake period: throughout the year
Mode of study: research
2018 tuition fee (per year): AUD$34,700

**Course Description**

This specialist degree provides a high status and professional qualification suitable for graduates who seek a museum profession in Australia or overseas as curators, exhibition organisers or researchers.

“UWA is the closest Group of Eight university to Malaysia. The University has a great reputation, global connections and prestigious opportunities. The architecture course has equipped me with the knowledge and practical skills to become a well-rounded and accomplished professional architect in Malaysia.”

Thur Pei Mak  Lead Design Architect, Mak Arkitek Konsult, Malaysia

Architecture graduate. Home country: Malaysia
Master of Fine Arts
study.uwa.edu.au/mf/fine-arts
UWA course code: 25740
CRICOS code: 03890D
Duration: 2 years
Intake period: Throughout the year
Mode of study: research (thesis and creative work)
2018 tuition fee (per year): AUD$34,700

Course Description
This specialist degree provides an internationally recognised academic qualification in the theory and practice of the fine arts.

The Master of Fine Arts (MFA) enables artists to pursue sustained individuated research that contributes to the understanding of current art practice and associated theories of contemporary culture.

The MFA assesses a high level of both theoretical and practical expertise, as well as a substantive understanding of key conventions in the discipline.

Requirements
(a) A relevant bachelor's degree, or an equivalent qualification as recognised by the Board; and
(b) have completed the requirements for a qualification in Art Practice from a recognised tertiary institution, or be judged by the Board, having regard to the recommendation of the Head of the School of Design, to have equivalent practical expertise and professional standing; and
(c) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

Professional Accreditation
This professionally accredited degree satisfies the academic requirements to become a registered landscape architect.

Requirements
A bachelor's degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 60 per cent.

- Students admitted to the course having completed an undergraduate major in landscape architecture will be required to complete two years of full-time or equivalent study. Students without a landscape architecture background will complete up to three years of full-time or equivalent study.

Master of Landscape Architecture
study.uwa.edu.au/m/landscape-architecture
UWA course code: 25550
CRICOS code: 024756G
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$34,700

Course Description
The Master of Landscape Architecture emphasises ecological, cultural and social concerns at global, regional and local levels. The degree requires completion of fully resolved projects including a developed design through independent research. Graduates achieve a range of high-level technical, analytical, design and communication skills to meet contemporary challenges.

Graduate Diploma in Urban Design
study.uwa.edu.au/gd/urban-design
UWA course code: 25510
CRICOS code: 056299D
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$34,700

Course Description
The Graduate Diploma in Urban Design offers a comprehensive overview of the theoretical and practical aspects of urban design. It also offers you some experience as individual designers and as participants in interdisciplinary groups assigned to working on the complex nature of urban design issues. You complete two design studio units and four theory units.

Requirements
(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) a Graduate Certificate in Urban Design, or an equivalent qualification, as recognised by UWA.

Doctor of Philosophy
study.uwa.edu.au/phd
UWA course code: 00910
CRICOS code: 002212C
Duration: 4 years
Intake period: Throughout the year
Mode of study: studies
2018 tuition fee (per year): AUD$99,300

Course Description
The PhD is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Graduate Certificate in Urban Design
study.uwa.edu.au/gc/urban-design
UWA course code: 25210
CRICOS code: 056299D
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$17,350

Course Description
The Graduate Certificate in Urban Design provides you with a preliminary overview of the discipline of urban design and an introduction to its core practices, theories and methods. You complete one design studio unit and two core theory units.

Requirements
A relevant bachelor's degree, or an equivalent qualification, with the equivalent of a UWA weighted average mark of at least 60 per cent.

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Urban Design (Coursework and Dissertation)
study.uwa.edu.au/m/urban-design
UWA course code: 25530
CRICOS code: 074575I
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2018 tuition fee (per year): AUD$34,700

Course Description
The Master of Urban Design provides a focused first year of history, theory, implementation strategy and studio-based learning as a platform and contextual base to a final (second) year of independent research by design and/or dissertation.

The second year of independent supervised research by dissertation and/or design allows you to apply principles of urban design at an advanced level relevant to your area of expertise. You complete core units which include two design studios, four theory units and a research component.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) a Graduate Diploma in Urban Design, or an equivalent qualification, as recognised by UWA.
School of Humanities

The School is actively involved in the research and teaching of Classics and Ancient History, European Languages and Studies, History, English and Cultural Studies, Medieval and Early Modern Studies and Philosophy.

The School is committed to the pursuit of intellectual inquiry and the progress of knowledge. Internationally renowned research leaders build the capacity of our graduates so they can critically analyse and develop creative solutions for the challenges faced by society.

Areas of teaching and research strengths include:
- Classics (Latin and Greek) and Ancient History
- English and Cultural Studies
- European Languages and Studies (Italian, French, German and Spanish)
- Gender Studies
- History
- Medieval and Early Modern Studies
- Philosophy

Teaching staff are members of learned academies and have won international honours

Humanities graduates include
- Kim Scott (Miles Franklin-winning novelist)
- and Catherine Keenan (Founder of the Sydney Story Factory & Australia’s Local Hero for 2016)
Graduate Certificate in Translation Studies
study.uwa.edu.au/gc/translation-studies

UWA course code: 12220
CRICOS code: 069065M
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$11,550

COURSE DESCRIPTION
This course provides students with foundational knowledge about translation theory and practice and develops skills in translating from and into English and your chosen language. It is a half-year full-time course. The specific language pairs (in both directions) are: English/Chinese, English/French, English/Italian, English/German. From 2019, translation training between English and Spanish, Indonesian, Japanese, Korean, Arabic and Russian will also be available.

The course has been designed by leading translation scholars whose work represents the frontier of translation studies. Students develop useful and versatile communication skills with simulated classroom teaching and laboratory demonstration.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification;
and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

Graduate Diploma in Translation Studies
study.uwa.edu.au/gd/translation-studies

UWA course code: 12220
CRICOS code: 069066K
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$33,100

COURSE DESCRIPTION
This course provides students with a sound understanding of traditional and contemporary translation theory and practice, and exposes students to advanced translation methodologies such as computer-aided translation localisation.

It also equips students with an essential understanding and working knowledge of the ethical standards expected of bilingual professionals. The language pairs in this degree are English/Chinese, English/French, English/German, and English/Italian. From 2019, translation training between English and Spanish, Indonesian, Japanese, Korean, Arabic and Russian will also be available.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

The Master of Translation Studies provides advanced translation training to develop your abilities to practice as a bilingual/multilingual professional. The course, taught by practitioners and translation researchers, is approved by the National Accreditation Authority for Translators and Interpreters of Australia (NAATT), making you eligible to apply to the prestigious NAATT accreditation as a Professional Translator.

Specialised translation training is available between English and Chinese, French, German and Italian language pairs in both directions. Further, Chinese interpreting is also available to students in combination with the English/Chinese language pair.

From 2019, translation training between English and Spanish, Indonesian, Japanese, Korean, Arabic and Russian will also be available.

The course fosters critical thinking, linguistic and analytical skills through frontier translation theories and latest technologies as well as the opportunity for individual supervision of a translation research project. As a result of strong collaboration links with local and national professional organisations and agencies, students are offered practical skills development on a regular basis.

Professional placement
The course includes a work placement component where students apply knowledge in industry environments.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

*Chinese interpreting is available to students in the language pair English/Chinese, provided they have completed 48 points of the Master of Translation Studies, achieving a WAM of 70 per cent.

Master of Philosophy
study.uwa.edu.au/phd

UWA course code: 00810
CRICOS code: 003520D
Duration: 4 years
Intake period: throughout the year
Mode of study: thesis

**Master of Music (Research)**

**study.uwa.edu.au/m/music**

- **UWA course code:** 10720
- **CRICOS code:** 08361G
- **Duration:** 1 year
- **Mode of study:** research (thesis and creative work)
- **2018 tuition fee (per year):** AUD$33,100

**COURSE DESCRIPTION**

This specialist degree extends existing skills and experience in musical performance, composition or musicology, both as a professional-level degree and as a platform for doctoral-level study. All candidates produce independent research with the guidance of a supervisor. Performers and composers complement the dissertation component of the course with the production of a recital or portfolio.

Candidates in musicology present for examination a 20,000 to 25,000-word thesis or a transcription and edition of a substantial body of music accompanied by a 10,000 to 12,000-word critical commentary.

**Requirements**

(a) To be considered for admission to this course an applicant must have the degree of Bachelor of Music with honours or Bachelor of Arts with honours of this University, or equivalent as recognised by the Board.

(b) An applicant for the course in composition must undergo a portfolio review and interview.

(c) An applicant for the course in performance must pass an audition.

(d) The arrangements for the portfolio review and interview or audition, including the nature, duration and timing, are determined by the Head of the School of Music.

**Master of Music International Pedagogy**

**study.uwa.edu.au/m/music-int-pedagogy**

- **UWA course code:** 12570, 12550
- **CRICOS code:** not required
- **Duration:** 1.5 years (coursework); 2 years (coursework and dissertation)
- **Intake period:** throughout the year
- **Mode of study:** coursework or coursework and dissertation
- **2018 tuition fee (per year):** AUD$29,500

**COURSE DESCRIPTION**

The Master of Music International Pedagogy is designed to prepare students to be among the most sophisticated scholars, musicians and educators. They pursue excellence, acquire essential skills and knowledge through the analysis and application of a variety of studies. The course is delivered predominantly online, with two residential components of two to three weeks’ duration to be taken before completion. It is essential that students undertaking this course have access to a community or school-based choir, band, orchestra or another ensemble for a regular basis. This is the student’s responsibility to arrange this.

Students undertaking the dissertation are required to complete a research project on an agreed topic.

**Requirements**

(a) To be considered for admission to the course in composition an applicant must submit a folio of original compositions, the arrangements for which are determined by the Head of the School of Music.

(b) To be considered for admission to the course in performance an applicant must pass an audition, the arrangements for which, including the nature, duration and timing, are determined by the Head of the School of Music.

(c) All applicants must undergo an interview with the Head of the School of Music or nominee.

(a) and (c) are approved additions to Doctor of Philosophy Rule 2.

**Master of Philosophy**

**study.uwa.edu.au/mpphil**

- **UWA course code:** 00710
- **CRICOS code:** 078217E
- **Duration:** 2 years
- **Intake period:** throughout the year
- **Mode of study:** thesis
- **2018 tuition fee (per year):** AUD$34,200

**COURSE DESCRIPTION**

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

**Requirements**

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

**Doctor of Philosophy**

**study.uwa.edu.au/phd**

- **UWA course code:** 00810
- **CRICOS code:** 003620E
- **Duration:** 4 years
- **Intake period:** throughout the year
- **Mode of study:** independent, supervised research
- **2018 tuition fee (per year):** AUD$34,200

**COURSE DESCRIPTION**

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

**Requirements**

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

---

“I came to study at UWA because the School of Music was ranked among the best in the country. It also has a reputation for producing some of the most talented musicians and industry leaders in the country, who represent Australia both nationally and internationally. I knew I wanted to make a big impact in music in Australia and UWA would enable me to pursue this dream. Studying music within a world-class university also enabled me to tinker with my interests in other art forms (English, art history) alongside my music studies. This has made me a more rounded musician, ready for the diverse demands the profession throws at me.”

Dr Ashley Smith
School of Music graduate and lecturer
The School of Social Sciences offers a rich learning and research environment focused on the contemporary social and political challenges confronting Australia, Asia and the wider world.

Postgraduate coursework programs have been designed to build knowledge that is valued in the workplace. Areas of teaching and research strengths include:

- Anthropology and Sociology
- Archaeology
- Asian Studies
- Media and Communication
- Linguistics
- Political Science and International Relations

Graduate Certificate in Asian Studies
study.uwa.edu.au/gc/asian-studies

UWA course code: 12290
CRICOS code: 093275C
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$15,800

COURSE DESCRIPTION

This course equips you with the skills and knowledge crucial to understanding and engaging with the region, and offers the options of focusing on business and management, politics and contemporary sociocultural debates. You gain awareness of the historical, cultural and political landscapes that shape and inform contemporary Asia. Further, you acquire the skills to apply this understanding in your professional and personal engagements with the region.

Requirements
(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
or
(b) a level and duration of education, professional experience, and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Master of Asian Studies
study.uwa.edu.au/m/asian-studies

UWA course code: 12580
CRICOS code: 093271A
Duration: 1.5 years
Intake period: February, July
Mode of study: coursework; coursework and dissertation
2018 tuition fee (per year): AUD$31,600

COURSE DESCRIPTION

This course equips you with the skills and knowledge crucial to understanding and engaging with the region, and offers the options of focusing on business and management, politics and contemporary sociocultural debates. Graduates of the Master of Asian Studies are able to demonstrate a comprehensive awareness of the historical, cultural and political landscapes that shape and inform contemporary Asia.

Professional placement
The course includes a work placement component where students apply knowledge and skills in industry environments.

Requirements
(a) (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
or
(b) (i) a Graduate Certificate in Asian Studies or Graduate Diploma in Asian Studies, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Diploma in Asian Studies
study.uwa.edu.au/gd/asian-studies

UWA course code: 12580
CRICOS code: 093271A
Duration: 1.5 years
Intake period: February, July
Mode of study: coursework; coursework and dissertation
2018 tuition fee (per year): AUD$31,600

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
or
(b) a Graduate Certificate in Asian Studies, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Diploma in Heritage Studies
study.uwa.edu.au/gd/heritage-studies

UWA course code: 12330
CRICOS code: 063848J
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$31,600

COURSE DESCRIPTION

The Graduate Diploma in Heritage Studies comprises non-fieldwork units from the Master of Heritage Studies. The advanced course develops the skills of heritage professionals working in government, museums and heritage agencies or graduates who seek a new career in the conservation industry.

Those who successfully complete the diploma may obtain credit towards the Master of Heritage Studies.

Requirements
(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units; or
(c) a level and duration of education, professional experience, and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Certificate in Heritage Studies
study.uwa.edu.au/gc/heritage-studies

UWA course code: 12230
CRICOS code: 083845A
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$15,800

COURSE DESCRIPTION

The Graduate Certificate in Heritage Studies provides a preliminary understanding of heritage conservation and has been designed by heritage professionals within government, museums, universities and heritage agencies.

Those who successfully complete the course may obtain credit towards the Graduate Diploma of Heritage Studies or Master of Heritage Studies.

Requirements
(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units; or
(c) a level and duration of education, professional experience, and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

“...The Master of International Relations strengthened my career in foreign affairs and diplomacy. The course taught me valuable skills in international affairs including the fundamental frameworks of international relations, consideration for the bigger picture and how to build cogent arguments based on empirical evidence. The international academics and great connections offer a high-quality education for a successful career."

Master of Social Sciences

Master of Heritage Studies

study.uwa.edu.au/m/heritage-studies

UWA course code: 12530
CRICOS code: 068864J
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2018 tuition fee: AUD$31,600

COURSE DESCRIPTION

The Master of Heritage Studies provides an advanced knowledge of heritage protection including legislation, conservation, tourism, development, management, stewardship, presentation, sustainability, ethics and commodification.

Professional placement
You will have the opportunity to undertake a professional placement, study tour or exchange with one of our partner universities overseas.

Requirements
(a) (i) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
or
(b) (i) a Graduate Certificate in Heritage Studies or Graduate Diploma in Heritage Studies, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Diploma in International Relations

study.uwa.edu.au/gd/int-relations

UWA course code: 11380
CRICOS code: 06910D
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$33,100

COURSE DESCRIPTION

The Graduate Diploma in International Relations explores the key realms of international relations theory, global governance, peace and security, political economy, international development, and identity and religion in world politics with opportunities to study regional policies in greater depth.

The Graduate Diploma is an advanced qualification in international relations and upon successful completion can be recognised as credit towards the Master of International Relations.

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
or
(b) (i) a Graduate Certificate in International Relations, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Certificate in International Relations

study.uwa.edu.au/gc/int-relations

UWA course code: 12280
CRICOS code: 069309J
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$16,550

COURSE DESCRIPTION

The course develops your capacity to collect and interpret information, to analyse arguments, policies and developments, and to construct cogent verbal and written arguments on international relations subjects.

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a major;
or
(b) (i) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a major;

Master of International Relations

study.uwa.edu.au/m/int-relations

UWA course code: 11580
CRICOS code: 069311D
Duration: 1.5-2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$33,200

COURSE DESCRIPTION

The Master of International Relations prepares graduates for a rewarding career in foreign affairs and diplomacy, government, international and non-governmental organisations, the media, or in education.

The course offers students the opportunity to study regional politics in greater depth with particular focus on the Asia-Pacific region and Africa.

For those students interested in pursuing a career in academia or education, the course offers an optional dissertation component.

The Master of International Relations is also available as a combined two-year course with the Master of International Law.

Professional placement
The course includes a work placement component where students apply knowledge in industry environments.

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
or
(b) (i) a Graduate Certificate in International Relations or Graduate Diploma in International Relations, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of International Relations and Master of International Law

studyat.uwa.edu.au/m/int-law-int-relations

UWA course code: 21540
CRICOS code: 086296A
Duration: 2 years
Intake period: February, June
Mode of study: coursework
2018 tuition fee (per year): AUD$53,200

COURSE DESCRIPTION

The University of Western Australia, through the cross-disciplinary expertise of the Law School and the School of Social Sciences, is providing a one-of-a-kind opportunity for graduates to attain two sought after qualifications through the combined Master of International Relations and Master of International Law.

Suiited to both legal and non-legal professionals, students acquire both qualifications in a shorter time frame than if undertaking them individually through the granting of advanced standing of key relevant units.

The program begins with the Master of International Relations, and upon successful completion of 48 credit points, you gain direct entry to the Master of International Law.

Requirements
To be eligible for admission, an applicant must meet the admission requirements for each course.

(a) Refer to this page for the Master of International Relations entry requirements; and
(b) See the Master of International Law entry requirements on page 29.

English language requirement: IELTS (Academic) 6.5 for the Master of International Relations and 7.0 for the Master of International Law.

1 Students who complete 48 points of credit towards the Master of International Relations are not required to meet the IELTS of 7.0 for the Master of International Law.
Master of International Development
study.uwa.edu.au/m/int-development

UWA course code: 71550
CRICOS code: 00386D
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$16,200

COURSE DESCRIPTION
This course aims to provide students with a grounding in international development concepts, theories and approaches. Students are equipped with the analytical and practical skills they need to engage critically in development issues and debates from an interdisciplinary perspective, and to work across broad areas of development policy, research and practice. The course begins with foundational units in development theory and case studies before enabling students to specialise in one of a number of areas, including development policy in practice; politics of development; and economics of development.

Professional placement
The course includes a work placement component where students apply knowledge in industry environments.

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent, or
(b) a level or duration of education, professional experience and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Diploma in Social Research Methods
study.uwa.edu.au/gd/social-res-methods

UWA course code: 12360
CRICOS code: 08402J
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$33,100

COURSE DESCRIPTION
Social research methods are vital across a range of careers. The graduate diploma explores key concepts in social research methods and offers an opportunity to develop skills through practical application relevant to government, community and industry.

The course provides you with a developed understanding of the types of research techniques used in the social sciences from action research, to surveys, to more innovative methods such as photovoice, as well as consideration of ethical issues. Students also learn how to craft a research project, identify sources of funding and develop funding proposals. Examples of research from a range of disciplines are used to illustrate research strategies.

Professional placement
The course includes a work placement component where students apply knowledge in industry environments.

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units, or
(b) a level or duration of education, professional experience and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Certificate in Social Research Methods
study.uwa.edu.au/gc/social-res-methods

UWA course code: 12240
CRICOS code: 08402K
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$16,250

Master of Social Research Methods
study.uwa.edu.au/m/social-res-methods

UWA course code: 12560
CRICOS code: 08402G
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$33,100

COURSE DESCRIPTION
Social research methods are vital across a range of careers. The course offers advanced skills, knowledge and capabilities in social research methods and offers an opportunity to develop skills through practical application relevant to government, community and industry.

The course offers a range of different research techniques used in the social sciences from action research, to surveys, to more innovative methods such as photovoice, as well as consideration of ethical issues. Students also learn how to craft a research project, identify sources of funding and develop funding proposals. Examples of research from a range of disciplines are used to illustrate research strategies.
Graduate Diploma in Strategic Communication

study.uwa.edu.au/gd/strategic-comms

UWA course code: 12540
CRICOS code: 083876E
Duration: 1 year
Intake period: February, July
Mode of study: coursework and dissertation
2018 tuition fee: AUD$33,100

COURSE DESCRIPTION

The Graduate Diploma in Strategic Communication focuses on the advanced skills, knowledge and capabilities required to participate in the contemporary global communications environment in industry, government agencies and community organisations. You develop skills across a range of media relevant to developing sound communication strategy in a global media context.

Requirements

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

or

(i) a Graduate Certificate in Strategic Communication or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Strategic Communication

study.uwa.edu.au/m/strategic-comms

UWA course code: 12540
CRICOS code: 083876E
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$33,100

COURSE DESCRIPTION

The Master of Strategic Communication provides you with advanced skills, knowledge and capabilities required to participate in the contemporary global communications environment. Through practical and analytical engagement, you gain advanced skills and in-depth understanding relevant to a broad range of communications and media roles; capabilities in developing effective communication strategies in a global digital media context; and skills in managing communications projects.

Professional placement

The course includes a work placement component where students apply knowledge in industry environments.

Requirements

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent; or

(i) a Graduate Certificate in Strategic Communication or Graduate Diploma in Strategic Communication, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00010
CRICOS code: 003200
Duration: 3 years
Intake period: throughout the year
Mode of study: independent, supervised research
2018 tuition fee (per year): AUD$34,200

COURSE DESCRIPTION

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

Graduate Certificate in Public Policy

study.uwa.edu.au/gc/public-policy

UWA course code: 42280
CRICOS code: 095760C
Duration: 0.5 years
Intake period: February (full time), July (part-time only)
Mode of study: coursework
2018 tuition fee: AUD$18,900

COURSE DESCRIPTION

The Graduate Certificate in Public Policy is designed to give graduate students an understanding of the role of the government in economic activity and public policy decision making. It focuses on how the government interacts with the economy through, for example: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Students who successfully complete the graduate certificate may be eligible to progress into the Master of Public Policy with full credit for completed units.

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent; or

(i) a valid Graduate Management Admission Test (GMAT) score of at least 550; or
(ii) at least five years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

1 GMAT is valid for 5 years.
The Faculty of Engineering and Mathematical Sciences attracts and supports talented teaching and research staff who are committed to innovating in their field. Well established links between the Faculty and industry mean our graduates enjoy excellent career prospects.

Renowned as a leader in high-impact research with very close ties to leading industry groups, the Faculty’s research teams benefit from global collaborations and attract significant grants from the nation’s peak research funding body, the Australian Research Council (ARC). Some recent successes include two leading offshore oil and gas research groups securing nearly $10 million in new funding from ARC, which will support new facilities and training centres.

Multi-million dollar investment from industry for key academic positions has enabled the appointment of a Professorial Chair in the field of Complex Engineering Systems with CSIRO and a further two new Professorial Chairs in Robotics and Automation, and Ocean Engineering.

A new infrastructure project, EZONE UWA, will create a unique teaching and learning hub further supporting quality teaching, learning and collaboration to benefit students, researchers and staff in the future.

Master of Data Science

study.uwa.edu.au/mds

UWA course code: 62530  
CRICOS code: 093310E

Duration: 1–2 years  
Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD$38,300

**COURSE DESCRIPTION**

The Master of Data Science provides students with the knowledge and skills to understand and apply appropriate analytical methodologies to transform the data into information, and to enhance decision-making. This program equips you with both outstanding technical and leadership skills and the ability to work creatively as a team to contribute to solving complex business problems.

**Requirements**

(a) A bachelor’s degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent; and

(b) prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

1. The course duration may be reduced to 1.5 years for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Master of Information Technology

study.uwa.edu.au/m/info-technology

UWA course code: 62510  
CRICOS code: 083866G

Duration: 1.5–2 years  
Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD$38,300

**COURSE DESCRIPTION**

The course is designed for students and professionals who have a tertiary degree and who seek to develop specialist skills in computing and software engineering. It is ideal for students and professionals who wish to change direction or expand their skill set to pursue a career in IT.

Graduates of this course have the knowledge and skills to anticipate the changing direction of IT and evaluate and communicate the effectiveness of new technologies in order to help an organisation achieve its goals and objectives.

The course has a strong emphasis on the application of contemporary and emerging technologies, including cloud and high performance computing, agile web development and software project design and management.

**Requirements**

(a) A bachelor’s degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent; and

(b) prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

1. The course duration may be reduced to 1.5 years for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Master of Engineering in Oil and Gas

study.uwa.edu.au/m/oil-gas

UWA course code: 62520  
CRICOS code: 083866A

Duration: 2–3 years  
Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD$39,800

**COURSE DESCRIPTION**

This program is aimed at engineering graduates who are seeking a career in the global oil and gas industry. The course provides you with industry-relevant, advanced knowledge about technical implementation and leadership in the global oil and gas industry. A particular focus is placed on natural gas, both its extraction and subsequent conversion to liquefied natural gas (LNG).

You also develop skills at a professional level in a range of key areas including petroleum engineering, gas economics, investment strategies and liabilities, work-flow concepts and current production and processing technologies.

**Requirements**

An engineering degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent.

1. The course duration may be reduced to one year for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Master of Philosophy

study.uwa.edu.au/mphil

Computer Science (078224F)  
Engineering (078224F)  
Mathematics (078206G)

UWA course code: 00710

Duration: 2–3 years  
Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD$45,500

**COURSE DESCRIPTION**

The MPhil is a program of independent, supervised research that can be taken in any discipline for a minimum of 1 year and a maximum of 2.5 years.

Graduates of this course have the knowledge and skills to anticipate the changing direction of IT and evaluate and communicate the effectiveness of new technologies in order to help an organisation achieve its goals and objectives.

The course has a strong emphasis on the application of contemporary and emerging technologies, including cloud and high performance computing, agile web development and software project design and management.

**Requirements**

(a) A bachelor’s degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent; and

(b) prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

1. The course duration may be reduced to 1.5 years for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Doctor of Philosophy

study.uwa.edu.au/phd

Computer Science (003314B)  
Engineering (003317K)  
Mathematics (055301K)

UWA course code: 00810

Duration: 3 years  
Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD$45,500

**COURSE DESCRIPTION**

The PhD is a program of independent, supervised research that can be taken in any discipline for a minimum of 2 years and a maximum of 4 years.

Graduates of this course have the knowledge and skills to anticipate the changing direction of IT and evaluate and communicate the effectiveness of new technologies in order to help an organisation achieve its goals and objectives.

The course has a strong emphasis on the application of contemporary and emerging technologies, including cloud and high performance computing, agile web development and software project design and management.

**Requirements**

(a) A bachelor’s degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent; and

(b) prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

1. The course duration may be reduced to 1.5 years for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc
Requirements
(a) a bachelor’s degree with a major in Engineering Science, or an equivalent qualification, as recognised by UWA; or
(b) a bachelor’s degree, completed with the equivalent of a UWA weighted average mark of at least 65 per cent, with prior studies in engineering, physics or mathematics; or
(c) completed units in the Master of Professional Engineering Preliminary course at UWA as prescribed by the Faculty.

1 The course duration will be two to three years for graduates without previous studies in engineering or who are missing required preparation units. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

2 Students who commenced Engineering Science from 2015 and who are not in the Direct Pathway are required to achieve a UWA weighted average mark of at least 60 per cent in their bachelor’s degree.

Master of Physics
study.uwa.edu.au/m/physics

UWA course code: 53560
CRICOS code: 087902J
Duration: 1.5–2 years
Intake period: February, July
Mode of study: dissertation
2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION
The Master of Physics consists of an equal combination of advanced coursework and a research project and dissertation. The research project is undertaken as part of an internationally recognised research group. You develop a combination of high-level research, analytical and problem-solving skills that are highly valued by industry and government employers.

Professional accreditation
Master of Physics (coursework and dissertation) is accredited by The Australasian College of Physical Scientists & Engineers in Medicine (ACPSEM).

Specialisations
Choose from the following specialisations:
• Astronomy and Astrophysics
• Computational Physics
• Experimental Physics
• Medical Physics
• Theoretical Physics

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent;
or
(b) a relevant honours degree, or an equivalent qualification, as recognised by UWA.

Note: Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1 Students with a bachelor’s degree or major in an area of study related to their specialisation may be granted up to 20 points credit in recognition of prior learning.

2 Students requiring more than 72 credit points will receive course advice specifying additional units.
The Faculty of Health and Medical Sciences offers courses, training and research opportunities in a wide range of scientific and clinical disciplines to significantly benefit the health of Australian and international communities.

As a research-oriented faculty we encourage the lifelong adaptation and assessment of new theories, treatments and diagnostic techniques that incorporate a holistic approach to the health sciences and a more sensitive interaction with patients.

Areas of research priority are:
- Developmental origins of health and disease
- Aboriginal health
- Genomic medicine (pharmacogenomics and pharmacoepidemiology)
- Management of chronic diseases
- Mental health

"A good education can change your life. For me UWA served as an important building block in the development of my skills, knowledge building and the advancement of my career opportunities.

My UWA experience further developed my understanding and appreciation for the global public health landscape. My education was instrumental in providing the foundations I need to analyse and implement policies and programs in my career with the National University Health System."

Astrid Khoo

Doctor of Dental Medicine

**study.uwa.edu.au/d/dental-medicine**

**UWA course code:** 90860  
**CRICOS code:** 08978B  
**Duration:** 3 years  
**Intake period:** January  
**Mode of study:** coursework  
**2018 tuition fee (per year):** AUD$78,100

**COURSE DESCRIPTION**

This professional degree provides suitably qualified graduates with the knowledge and skills to enter the dentistry profession upon completion. Studies cover fundamental dental and medical sciences together with clinical practice modules including patient care, preventative and conservative dentistry, restorative dentistry, and child and adolescent dental health. There is early clinical contact from first year.

You actively engage in a research project in the third year, while the final year is occupied by independent but supervised practice which takes place inside and outside the UWA Dental School, with compulsory rural and metropolitan clinical placements.

**Requirements**

1. A bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
2. The equivalent of a UWA grade point average (GPA) of at least 5.5; and
3. (i) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 50 and no section score less than 50; or (ii) a Medical College Admission Test (MCAT) score of at least 123/123/123/123.  
4. Invitation to attend the structured interview will be based on equal weightings under (1), (2) and (3) who fall within the intake quota for that year, based on equal weighting of the GAMSAT /MCAT, GPA and interview.
5. Direct Pathway students are exempt from (1),(c).

**English language requirement:** IELTS (Academic) 7.0 (no band less than 6.5).

**Doctor of Clinical Dentistry**

**study.uwa.edu.au/d/clinical-dentisty**

**UWA course code:** 90840  
**CRICOS code:** 90891K  
**Duration:** 3 years  
**Intake period:** February, July  
**Mode of study:** coursework  
**2018 tuition fee (per year):** AUD$65,000

**COURSE DESCRIPTION**

This course provides training of dentists in one of the following specialty disciplines: Endodontics, Oral Medicine, Oral Pathology, Orthodontics, Paediatric Dentistry, Periodontics or Prosthodontics.

**Requirements**

1. A Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA; and
2. At least two years professional experience in the practice of general dentistry; and
3. Passed the Primary Examination towards Fellowship in the Royal Australasian College of Dental Surgeons, or equivalent.

**English language requirement:** IELTS (Academic) 7.0 (no band less than 7.0).

**Graduate Diploma in Forensic Odontology**

**study.uwa.edu.au/d/d/clinical-dentisty**

**UWA course code:** 91350  
**CRICOS code:** 08978B  
**Duration:** 1 year  
**Intake period:** February  
**Mode of study:** coursework  
**2018 tuition fee:** AUD$19,991.100

**COURSE DESCRIPTION**

This course is designed for qualified dentists and those with a background in other disciplines who are keen to develop their knowledge and research skills in forensic odontology. The following areas are covered: dealing independently with all routine forensic odontological casework; the efficient referral of cases of special difficulty outside or beyond their expertise; functioning under supervision as a member of a Disaster Victim Identification (DVI) team; the independent preparation of evidence for presentation to courts of law; and being aware of their own need for further education.

**Requirements**

1. A Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA; and
2. At least two years’ experience in the practice of general dentistry.

**English language requirement:** IELTS (Academic) 7.0 (no band less than 6.5).
Doctor of Podiatric Medicine

study.uwa.edu.au/d/podiatric-med

UWA course code: 90870
CRICOS code: 07534A

Duration: 3 years
Intake period: February
Mode of study: professional practice master's degree (extended)

2018 tuition fee (per year): AUD55,400

**COURSE DESCRIPTION**

This course is suitable for qualified graduates wishing to enter the podiatry profession. Podiatrists specialise in the diagnosis and treatment of conditions affecting the lower extremity and, in particular, the foot and ankle. Podiatrists are independent practitioners with the right to perform minor foot surgery under local anaesthesia, refer patients for relevant investigative tests and, if endorsed for scheduled medicines by the Podiatry Board of Australia, administer and prescribe a range of medications necessary for the treatment of podiatric conditions.

**Requirements**

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
and
(b) the equivalent of a UWA grade point average of at least 5.0;
and
(c) (i) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 50 and no section score less than 50;
(ii) a Medical College Admission Test (MCAT) score of 123/123/123/123;
and
(iii) completed a human biology, animal biology, physiology, pharmacology, genetics or microbiology unit at a tertiary level; and
completed a chemistry or biological chemistry unit at a tertiary level.

**English language requirement:** IELTS (Academic) 7.0 (no band less than 7.0).

Doctor of Podiatric Medicine applications open in March and close late September. Final ranking for the DPH is based on GPA. An interview is not required.

A supplementary form is required in addition to the standard entry requirements. Visit study.uwa.edu.au/d/podiatric-med for details.

---

Doctor of Podiatric Surgery

study.uwa.edu.au/d/clinical-podiatry

UWA course code: 90830
CRICOS code: 06487E

Duration: 3 years
Intake period: January
Mode of study: clinical master's (extended)

2018 tuition fee (per year): AUD55,400

**COURSE DESCRIPTION**

Qualified podiatrists keen to extend their clinical podiatric medicine knowledge and surgical skills will find this course useful. Training is provided in biostatistics, research methodology, patient-oriented research and theoretical and practical aspects of elective foot surgery. The Podiatry Board of Australia currently accepts the degree for the purposes of registration as a podiatric surgeon.

**Requirements**

(a) a Doctor of Podiatric Medicine, or an equivalent qualification, as recognised by UWA;
and
(b) at least one year of relevant professional experience.

Doctor of Podiatry

study.uwa.edu.au/d/podiatry

UWA course code: 90820
CRICOS code: 06487G

Duration: 3 years
Intake period: February
Mode of study: professional doctorate by thesis and coursework

2018 tuition fee (per year): AUD55,700

**COURSE DESCRIPTION**

This is for qualified podiatrists interested in pursuing research that will result in the publication of an original thesis. Topics covered include biostatistics and research methodologies, practical aspects of extended patient care, and patient-oriented research, which includes the ethics and communication of research.

**Requirements**

(a) the Doctor of Podiatric Medicine from this University, or equivalent as recognised by the Faculty;
and
(b) at least one year's relevant professional experience.

Doctor of Medicine

study.uwa.edu.au/d/medicine

UWA course code: 90850
CRICOS code: 06487F

Duration: 3-4 years
Intake period: January
Mode of study: professional practice doctorate

2018 tuition fee (per year): AUD70,780

**COURSE DESCRIPTION**

The professional practice doctorate is for those who wish to enter the medical profession as a doctor. You will undertake a scholarly activity in one of three streams of research, coursework and/or service learning. This is done simultaneously with the core medical rotations in Internal Medicine, Surgery, Psychiatry, General Practice, Women's and Infant's Health, and Paediatrics and Child Health. Further rotations are taken in Emergency Medicine, Internal Medicine, Surgery, Cancer, Palliative Care, Anaesthesiology, Rural General practice and an elective.

**Requirements**

(1)
(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
and
(b) the equivalent of a UWA grade point average (GPA) of at least 5.5;
and
(c) (i) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 52 and no section score less than 50; or
(ii) a Medical College Admission Test (MCAT) score of 123/123/123/123.

(2) Invitation to attend the structured interview will be based on equal weightings under (1)(b) and (c), in alignment with the interview quota for the year.

(3) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in medical practitioners.

(4) Admission will be awarded to the highest ranked applicants under (1)(ii) who fall within the intake quota for that year, based on equal weighting of the GAMSAT/MCAT, GPA and interview for non-rural applicants, and based on equal weighting of the GAMSAT, GPA, interview and rurality ranking for rural applicants.

(5) Direct Pathway students are exempt from (1)(c).

**English language requirement:** IELTS (Academic) 7.0 (no band lower than 7.0). Must include academic reading and writing modules.

Doctor of Medicine (MD) and Doctor of Dental Medicine (DMD) applications open in March and close on 31 May each year.

The Medical College Admission Test (MCAT) and the Graduate Australian Medical Schools Admissions Test (GAMSAT) results must be submitted by 31 May each year. Students who will receive the results slightly after this date are to contact the Faculty for eligibility advice.

Successful applicants will receive an interview request by email. Interviews in Hong Kong and Singapore usually take place from late July. Perth-based interviews usually take place in August and September.

Faculty of Health and Medical Sciences
Note: If upon graduation from this course you wish to practice medicine in Australia and you have completed your secondary schooling overseas, you will be required to meet the APHRA English requirements for registration purposes. For further details on this requirement refer to the Medical Board of Australia.

### Graduate Diploma in Neonatology

**study.uwa.edu.au/gd/neonatology**

UWA course code: 91380
CRICOS code: 913801
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$18,100

**COURSE DESCRIPTION:**

Students gain comprehensive knowledge of diseases of preterm and term infants including the underlying physiology and management of these diseases.

**Requirements**

- Doctor of Medicine or equivalent and two years’ professional experience in neonatology and paediatrics.

### Master of Neonatology (coursework)

**study.uwa.edu.au/m/neonatology**

UWA course code: 91580
CRICOS code: 915801
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$36,200

**COURSE DESCRIPTION:**

In this course students gain comprehensive knowledge of diseases of preterm and term infants including the underlying physiology and management. Students also gain clinical competency in acute resuscitation and all procedures required in the Neonatal Intensive Care Unit.

**Requirements**

- Doctor of Medicine or equivalent and two years’ professional experience in neonatology and paediatrics.

### Graduate Certificate in Emergency Medicine Research

**study.uwa.edu.au/gc/emergency-medicine-research**

UWA course code: 90240
CRICOS code: 902401
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$19,150

**COURSE DESCRIPTION:**

This course is taught by experienced emergency and critical care clinicians with extensive research track records, many of whom also have local and national awards for teaching excellence.

The course targets the needs of emergency medicine and critical care trainees and specialists, emergency and critical care nurses, paramedics and other health professionals who seek training in the methods used to undertake sound clinical research. Two core units in this course meet the requirements for the research training requisites of the Australasian College for Emergency Medicine.

**Requirements**

- a Bachelor of Science, or an equivalent qualification, as recognised by UWA;
- the equivalent of a UWA weighted average mark of at least 65 per cent.

### Master of Clinical Research

**study.uwa.edu.au/mr/clin-research**

UWA course code: 90620
CRICOS code: 0569884
Duration: 2 years
Intake period: February, July
Mode of study: thesis and coursework
2018 tuition fee (per year): AUD$54,300

**COURSE DESCRIPTION:**

Medicine and Dentistry graduates interested in pursuing research may benefit from this course. It provides training in the practical aspects of patient-oriented research, including the ethics of clinical research and effective communication of clinical research results through the core disciplines of clinical investigation, epidemiology and biostatistics.

**Requirements**

- a Doctor of Medicine, or an equivalent qualification, as recognised by UWA;
- an equivalent qualification, as recognised by UWA;
- the equivalent of a UWA weighted average mark of at least 65 per cent.

### Graduate Certificate in Rural and Remote Medicine

**study.uwa.edu.au/gc/rural-remote-med**

UWA course code: 90220
CRICOS code: 058921B
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$19,150

**COURSE DESCRIPTION**

This course is aimed at medical graduates with an interest in rural and remote medicine who wish to pursue a career in research or teaching. As this is a generalist discipline, the range of research topics is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies.

Articulation is available within this study area. For more information, see page 17.

**Requirements**

- a Doctor of Medicine, or an equivalent qualification, as recognised by UWA;
- completed or be undertaking fellowship training in a primary care or equivalent specialty college;
- a level of professional rural experience considered by UWA to be sufficient to permit satisfactory completion of the course.

### Master of Rural and Remote Medicine

**study.uwa.edu.au/m/rural-remote-med**

UWA course code: 90680
CRICOS code: 058922A
Duration: 1.5 years
Intake period: February, July
Mode of study: thesis and coursework
2018 tuition fee (per year): AUD$51,500

**COURSE DESCRIPTION**

This course is aimed at medical graduates with an interest in rural and remote medicine who wish to pursue a career in research or teaching. As this is a generalist discipline, the range of research topics is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies.

Articulation is available within this study area. For more information, see page 17.

**Requirements**

- a Doctor of Medicine, or an equivalent qualification, as recognised by UWA;
- completed or be undertaking fellowship training in a primary care or equivalent specialty college;
- a level of professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course.

### English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc
Graduate Certificate in Health Professions Education

study.uwa.edu.au/gc/health-prof-education

UWA course code: 90210
CRICOS code: 06809G
Duration: 0.5 years
Intake period: February
Mode of study: coursework
2018 tuition fee: AUD$19,150

COURSE DESCRIPTION

This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 17.

Requirements

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

(c) completed the Graduate Certificate in Health Professions Education at UWA.

Articulation is available within this study area. For more information, see page 17.

Requirements

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) (i) a relevant bachelor’s degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor’s degree in a health, biomedical or biological sciences-related discipline.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5). Must include academic reading and writing modules.

Master of Health Professions Education

study.uwa.edu.au/mh-health-prof-education

UWA course code: 90570
CRICOS code: 06809E
Duration: 1.5 years
Intake period: February
Mode of study: coursework and dissertation
2018 tuition fee (per year): AUD$38,300

COURSE DESCRIPTION

This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 17.

Requirements

(a) a Doctor of Medicine, or an equivalent qualification, as recognised by UWA; or
(b) (i) a bachelor’s degree in a health, biomedical, or biological sciences-related discipline, or an equivalent qualification, as recognised by UWA; and
(ii) at least one year of relevant professional experience; or
(c) (i) completed the Graduate Certificate in Health Professions Education at UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in all core units.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5).

(c) (i) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; or
(ii) at least three years’ relevant full-time professional experience; or
(iii) evidence of adequate research outputs.

Graduate Diploma in Infectious Diseases

study.uwa.edu.au/gd/infectious-diseases

UWA course code: 51330
CRICOS code: 058926G
Duration: 1 year
Intake period: February
Mode of study: coursework
2018 tuition fee: AUD$54,400

COURSE DESCRIPTION

This course is aimed at science-based and medical professionals seeking advanced training in the field of infectious diseases. Topics covered include Medical Microbiology, Tropical Infectious Diseases and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes.

Articulation is available within this study area. For more information, see page 17.

Requirements

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) (i) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units; or
(ii) at least three years’ relevant full-time professional experience; or
(iii) evidence of adequate research outputs.

(c) completed the Graduate Certificate in Health Professional/Professions Education from this University with an average mark of at least 70 per cent in all core units.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5). Must include academic reading and writing modules.

Articulation is available within this study area. For more information, see page 17.

Requirements

(a) a Doctor of Medicine, or an equivalent qualification, as recognised by UWA; or
(b) (i) a relevant bachelor’s degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor’s degree in a health, biomedical or biological sciences-related discipline.
Master of Infectious Diseases
study.uwa.edu.au/m/infectious-diseases

UWA code: 52530
CRICOS code: 069929E
Duration: 2 years
Intake period: February
Mode of study: coursework and dissertation
2018 tuition fee (per year): AUD$40,400

Course Description
This course is aimed at science-based and medical professionals seeking advanced training in the field of infectious diseases. Topics covered include Medical Microbiology, Tropical Infectious Diseases and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes and a research project of one or two semesters.

Articulation is available within this study area. For more information, see page 17.

Requirements
(a) A relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 60 percent in the Level 3 units; or
(i) at least three years' relevant full-time professional experience; or
(ii) evidence of adequate research outputs.

Master of Infectious Diseases and Doctor of Philosophy
study.uwa.edu.au/m/infectious-diseases-phd

UWA code: 01810/52520
CRICOS code: 061839C
Duration: 4 years
Intake period: February
Mode of study: research and coursework
2018 tuition fee (per year): AUD$540,400

Course Description
This course has been developed in response to the international need for advanced training and research in infectious diseases to better prepare medical scientists, medical professionals, the public sector and other groups. Nobel Laureate Professor Barry Marshall is a valued member of staff within the program. This course enables students to receive comprehensive training in infectious diseases through coursework together with high-level research training in a PhD in an area of infectious diseases.

Requirements
(a) To be considered for admission to this course, an applicant must have met the usual requirements for entry to a PhD course, including demonstrating adequate research preparation by completion of an honours or equivalent course at an acceptable standard, or equivalent research preparation as specified in the rules for entry into a PhD course; and
(b) satisfy the University's English language competence requirements; and
(c) a relevant bachelor's degree (as specified in the rules for entry to the Master of Infectious Diseases course), or an equivalent qualification, as recognised by UWA; and
(d) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; or
(i) at least three years' relevant full-time professional experience; or
(ii) evidence of adequate research outputs, as recognised by UWA.

Graduate Certificate in Population Health Studies
study.uwa.edu.au/gc/pop-health

UWA code: 91230
CRICOS code: 074756R
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$19,350

Course Description
This course is designed as a pathway for those who seek to enrol in a Master of Public Health but do not meet the educational requirements. The course allows for maximum flexibility to tailor studies in order to meet your personal or professional interests.

Requirements
(a) A bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) a level and duration of education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; or
(c) completed two postgraduate public health (PHUH) units.

Master of Public Health
study.uwa.edu.au/m/public-health

UWA code: 92550
CRICOS code: 075827C
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$38,300

Course Description
Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics, and health promotion for current professionals interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Requirements
(a) A bachelor's degree, or an equivalent qualification, as recognised by UWA; or
(b) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA; and
(c) evidence of adequate research outputs, as recognised by UWA.

English Language Requirements
Unless otherwise specified, IELTS Academic overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc
Master of Public Health (coursework and dissertation)

study.uwa.edu.au/m/public-health cst

UWA course code: 02560
CRICOS code: 076628B
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2018 tuition fee (per year): AUD$38,300

COURSE DESCRIPTION

Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics and health promotion for current professionals interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Specialisation

Choose from the following specialisations:
- Practice
- Research Methods

Requirements

(a) (i) A bachelor's degree, or an equivalent qualification, as recognised by UWA; or
(ii) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA;

(b) The equivalent of a UWA weighted average mark of at least 60 per cent.

Master of Pharmacy

study.uwa.edu.au/m/pharmacy

UWA course code: 01500
CRICOS code: 051547J
Duration: 2 years
Intake period: end of January
Mode of study: coursework
2018 tuition fee: AUD$47,600

COURSE DESCRIPTION

This course provides a Direct Pathway to a postgraduate professional qualification in pharmacy for registration as a pharmacist in Australia. Advanced study is offered in the areas of pharmacy practice, clinical pharmacy, pharmaceutics, medicinal chemistry, pharmacotherapy and health systems, and includes practical training in community and hospital pharmacies.

Requirements

(a) (i) A bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA grade point average (GPA) of at least 5.0;

(b) demonstrated adequate knowledge of each of the following: Chemistry - Year 12 ATAR Chemistry or a tertiary chemistry unit; Mathematics or Statistics - Year 12 ATAR Mathematics or a tertiary mathematics or statistics units; Microbiology at the tertiary level; and Pharmacology at the tertiary level; and

(c) a current Australian National Police Certificate, or equivalent certification, indicating no criminal conviction.

(2) Invitation to attend the structured interview will be based on (1)(a) and (b), in alignment with the interview quota for the year.

(3) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in pharmacists.

(4) Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the intake quota for that year, based on equal weighting of the GPA and interview.

(5) Applicants with qualifications from overseas institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7.0 with no sub-score less than 7.0.

Doctor of Philosophy

study.uwa.edu.au/phd

Dentistry—Biological Sciences (037147J)
Dentistry—Clinical (037148G)
Dentistry—Paraclinical Sciences (037148C)
Dentistry—Public Health (037148K)
Medicine—Biological Sciences (037158F)
Medicine—Clinical (037160G)
Medicine—Paraclinical Sciences (037159E)
Medicine—Public Health (037157G)

UWA course code: 00810
Duration: 4 years
Intake period: throughout the year
Mode of study: research
2018 tuition fee (per year): AUD$54,500

COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Master of Social Work

study.uwa.edu.au/m/social-work

UWA course code: 11550
CRICOS code: 065091K
Duration: 2 years
Intake period: February
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$31,600

COURSE DESCRIPTION

This course is suitable for those with any undergraduate degree who would like to pursue a professional qualification in social work. The course is accredited by the Australian Association of Social Workers (AASW).

Requirements

To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.

English language requirement: Upon application IELTS (Academic) score of 7.0 and no band less than 7.0.

Note: Applicants must provide a personal statement.

Master of Philosophy

study.uwa.edu.au/m/phphil

Dentistry—Biological Sciences (078220K)
Dentistry—Clinical (078220C)
Dentistry—Paraclinical Sciences (078222G)
Dentistry—Public Health (078221J)
Medicine—Clinical (078207G)
Medicine—Public Health (078203M)
Medicine—Paraclinical Sciences (078204K)
Medicine—Biological Sciences (078208F)

UWA course code: 00710
Duration: 2 years
Intake period: throughout the year
Mode of study: research
2018 tuition fee (per year): AUD$45,500

COURSE DESCRIPTION

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Note: Dentistry—Clinical (078220C) and Medicine—Clinical (078207G) are AUD$25,700 per annum as at 2018.
As a Faculty of Science student you are part of a community of researchers and fellow students contributing to science that makes a difference.

A UWA Science degree opens the door to a range of careers.

As a Faculty, we focus on bringing about meaningful change for the world and humanity in six key areas:
- feeding the world
- preventing, diagnosing and treating disease
- furthering human knowledge and serving humanity
- harnessing resources and energy for a sustainable future
- restoring and maintaining balance in our natural environment
- optimising physical and mental performance

“I studied my masters at UWA because the Environmental Science course offered the best combination of theory and field work to advance my knowledge of marine and coastal management. Because of my studies at UWA, I am better equipped with the skills to develop policy that is based on proven scientific frameworks.”

Dinah Yunitawati
Marine Spatial Planner, Ministry of Marine Affairs and Fisheries
Republic of Indonesia
Master of Environmental Science graduate
Home country: Indonesia
Master of Agricultural Economics
study.uwa.edu.au/m/agricultural-economics
UWA course code: 73530
CRICOS code: 089266E
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AU$9,300

COURSE DESCRIPTION
The course covers all key elements of agricultural economics with the overall course emphasis on the application of theory to real world circumstances. The core themes of the course are applied economic analysis, policy analysis, and agribusiness management and analysis.

Requirements
1. A bachelor’s degree or equivalent as recognised by UWA.

Master of Agricultural Science
study.uwa.edu.au/m/agricultural-science
UWA course code: 72510
CRICOS code: 074945E
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AU$9,300

COURSE DESCRIPTION
Gain the knowledge and skills needed for a future in the rapidly evolving area of agricultural science.

World populations and economies are increasing their demand for food and fibre. Agricultural systems are under pressure to meet environmental, social and economic goals. Agricultural Science provides the research, technology and information for the sustainable, profitable and ethical development of the industry.

Studies in agricultural science include soil science, genetics, cropping and pasture systems, soil-plant interaction, livestock production, agricultural economics and agribusiness.

UWA has a world-class reputation for research in agricultural science. Our faculty is supported by the accomplished research and outreach activities of the Institute of Agriculture, the Centre for Plant Genetics and Breeding, the ARC Centre of Excellence in Plant Energy Biology, and the Australian Herbicide Resistance Initiative (AHRI).

Specialisations
Choose from the following specialisations:
• Agricultural Economics
• Crop and Livestock Farming Systems
• Genetics and Breeding
• Soil Science and Plant Nutrition

Requirements
1. A relevant bachelor’s degree that aligns with one of the specialisations of this course or an equivalent qualification, as recognised by UWA.
2. Students requiring more than 72 points to complete their degree will receive course advice specifying additional units.

Master of Biological Arts
study.uwa.edu.au/m/biological-arts
UWA course code: 71530
CRICOS code: 083855K
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework and dissertation
2018 tuition fee (per year): AU$9,300

COURSE DESCRIPTION
Explore the artistic elements of science in this unique course that brings together the two distinct disciplines of art and science.

The course is designed for experienced art practitioners, scientists or humanities scholars to explore creative bioresearch and focuses on recent advances in the life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues and cross-disciplinary experimentation in art and science.

You have access to scientific laboratories and take both art and science units that include a major project and dissertation.

Requirements
To be considered for admission to this course an applicant must have a bachelor’s degree in science, arts or fine arts, or an equivalent qualification, as recognised by UWA.

Master of Biological Science
study.uwa.edu.au/m/biological-science
UWA course code: 72520
CRICOS code: 083856J
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AU$9,300

COURSE DESCRIPTION
Develop your knowledge of biology by learning the fundamentals of molecular evolution, physiology, reproduction, behaviour and ecology of organisms. You also apply your knowledge to the management of natural systems and the species they support with independent research opportunities throughout the course.

By studying in Perth, you have access to a unique terrestrial biodiversity hotspot, where nearly 80 per cent of the region’s marine fish and invertebrates are unique to the area, offering you a rare and exciting environment to explore your research.

Specialisations
Choose from the following specialisations:
• Marine Biology
• Conservation Biology
• Zoology
• Ecology

Requirements
1. A relevant bachelor’s degree that aligns with one of the specialisations of this course or an equivalent qualification, as recognised by UWA.
2. Students requiring more than 72 credit points to complete their degree will receive course advice specifying additional units.

Master of Biomedical Science
study.uwa.edu.au/m/biomedical-sci
UWA course code: 71520
CRICOS code: 083865J
Duration: 1.5 years full-time
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AU$9,300

COURSE DESCRIPTION
Develop your knowledge of biological, medical and health-related disciplines that underpin advances crucial to human health and wellbeing.

You expand your knowledge of biomedical science by learning our evolutionary history and the cause and treatment of human disease, and develop an appreciation for principles of healthy living.

Specialisations
Choose from the following specialisations:
• Biochemistry and Molecular Biology
• Human Biology
• Neuroscience
• Physiology

Requirements
1. A bachelor’s degree with a major in a biomedical or health science discipline that aligns with one of the specialisations of this course or an equivalent qualification.
2. Students requiring more than 72 credit points to complete their degree will receive course advice specifying additional units.

English language requirements
Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc
Master of Biotechnology

study.uwa.edu.au/m/biotechnology

UWA course code: 71580
CRICOS code: 06885F
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION

Biotechnology is becoming central to food, fibre and chemical production and the development of innovative strategies for environmental protection and stewardship.

This course is unique in Australia as it provides state-of-the-art training in the commercial aspects of biotechnology through direct industry interaction.

Specialisations
Choose from the following specialisations:
- Biochemistry and Molecular Biology
- Environmental Biotechnology
- Genetics and Breeding
- Genetics and Genomics

Requirements
A bachelor’s degree that aligns with one of the specialisations of this course or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor’s degree or major in an area of study which is cognate (related) to three specialisations may be granted up to 24 points credit in recognition of prior learning.
² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Clinical Audiology

study.uwa.edu.au/c/clin-audiology

UWA course code: 40540
CRICOS code: 03377G
Duration: 4 years
Intake period: January
Mode of study: combined postgraduate coursework only or thesis only

2018 tuition fee (per year): AUD$54,300

COURSE DESCRIPTION

Audiology is the clinical science involving the prevention, assessment and rehabilitation of hearing loss and associated communication disorders. The course develops your knowledge of clinical audiology with structured coursework units and you then have the opportunity to create new knowledge in a preferred research topic with guidance from an expert supervisor during your PhD.

UWA is the only Australian university offering a combined four-year PhD and master’s degree in Audiology.

Requirements
(a) an honours degree of at least 2A level, or a qualification recognised as equivalent by the Board of the Graduate Research School (the Board); and the Faculty; and
(b) satisfied the requirements of Doctor of Philosophy Rule 2 at handbooks.uwa.edu.au/rules/phd/2;
and
(c) a current National Police Certificate indicating no criminal conviction.¹

¹ Currency of National Police Certificate is 12 months.

Master of Clinical Exercise Physiology

study.uwa.edu.au/m/clinical-exercise-physiology

UWA course code: 73520
CRICOS code: 089267D
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework

2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION

The course develops students’ knowledge and skills in preparation for work in the allied health industry. The course is accredited by Exercise and Sports Science Australia (ESSA) so that graduates are eligible to apply for accreditation status. Students may structure a course which is best tailored to their future requirements and area of specialisation. The course is designed to provide a holistic understanding of the use of exercise as a modality in the treatment of musculoskeletal, cardiorespiratory and metabolic and other chronic and complex conditions.

Requirements
(a) a Bachelor of Science with a major in Sport Science and/or Exercise and Health, or equivalent, as recognised by UWA; or
(b) a bachelor’s degree in physiotherapy from a recognised tertiary institution; or
(c) a relevant bachelor’s degree in a relevant field of study from a recognised tertiary institution that included foundation units in the majority of the following sub-discipline areas: biomechanics, motor control and learning, exercise physiology, sport and exercise psychology, human growth and development and human anatomy.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.
² Students requiring more than 72 credit points will receive course advice specifying additional units.
Master of Clinical Neuropsychology and Doctor of Philosophy
study.uwa.edu.au/c/clin-neuropsych

UWA course code: 01890/54590
CRICOS code: 07710E
Duration: 4 years
Intake period: February
Mode of study: combined postgraduate (coursework only and thesis only)
2018 tuition fee (per year): AUD$37,300

**COURSE DESCRIPTION**

The combined coursework and thesis program provides you with the knowledge and investigative research skills to become an expert in clinical neuropsychology.

Throughout the coursework component, you learn the fundamentals of neuroscience, clinical psychology and clinical neuropsychology. Your knowledge becomes more specialised during your clinical placement and independent research course components.

**Requirements**

(a) a PhD proposal approved by the Board of the Graduate Research School; or
(b) an accredited bachelor’s honours degree in psychology with an upper second class Honours (2A), or an equivalent qualification, as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on:

(a) a satisfactory personal statement, as recognised by UWA; and
(b) two satisfactory referees, as recognised by UWA; and
(c) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and
(d) an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on the personal statement, referees, curriculum vitae and the interview quota for that year; and
(e) the interview quota for that year.

**Note:** Applicants are required to provide additional documents within their application. Visit [study.uwa.edu.au/c/clin-neuropsych](http://study.uwa.edu.au/c/clin-neuropsych) for details.

Applicants must secure a potential supervisor before submitting an application. Visit [science.uwa.edu.au](http://science.uwa.edu.au).

**English language requirement:** IELTS (Academic) 7.0 (no band lower than 7.0).

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

---

Master of Clinical Psychology and Doctor of Philosophy
study.uwa.edu.au/c/clin-psych

UWA course code: 01870/54570
CRICOS code: 07710M
Duration: 4 years
Intake period: February
Mode of study: combined postgraduate (coursework only and thesis only)
2018 tuition fee (per year): AUD$37,300

**COURSE DESCRIPTION**

The course is based on a scientist-practitioner model of clinical psychology. You develop your clinical capabilities to practice as clinical psychologist and develop new knowledge with independent research.

The unique program blends clinical practice, coursework and advanced research components, to produce work ready clinicians who can also contribute new knowledge to clinical psychology best practices.

**Requirements**

To be considered for admission to this course an applicant must have:

(a) a PhD proposal approved by the Board of the Graduate Research School; or
(b) an accredited bachelor’s honours degree in psychology with an upper second class Honours (2A), or an equivalent qualification, as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on:

(a) a satisfactory personal statement, as recognised by UWA; and
(b) two satisfactory referees, as recognised by UWA; and
(c) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and
(d) an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on the personal statement, referees, curriculum vitae and the interview quota for that year; and
(e) the interview quota for that year.

**Note:** Applicants are required to provide additional documents within their application. Visit [study.uwa.edu.au/c/clin-psych](http://study.uwa.edu.au/c/clin-psych) for details.

Applicants must secure a potential supervisor before submitting an application. Visit [science.uwa.edu.au](http://science.uwa.edu.au).

**English language requirement:** IELTS (Academic) 7.0 (no band lower than 7.0).

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

---

Master of Ecotourism
study.uwa.edu.au/m/ectourism

UWA course code: 73510
CRICOS code: 08743T
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$38,300

**COURSE DESCRIPTION**

Advance your career in the growing ecotourism industry with this practical course that builds your knowledge and networks through a combination of field work, in-depth industry case studies and interaction with tourism industry professionals.

Graduates learn how to manage existing ecotourism enterprises sustainably; design and implement new ventures; become culturally aware and understand important environmental laws and policies to launch an exciting career in ecotourism.

The course is delivered in Albany which is located in the south-west of Western Australia. Albany is one of the most environmentally diverse locations in the world and offers an impressive range of outdoor recreational opportunities and tourism partners.

**Requirements**

To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.

**Minimum course duration:** 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.1

**Maximum course duration:** Two years full-time comprising 96 points of taught units.2

1. This course is taught at UWA’s Albany campus.
2. Students with a bachelor’s degree or major in an area of study which is cognate (related) may be granted up to 24 points credit in recognition of prior learning.

---

Master of Environmental Science
study.uwa.edu.au/m/enviro-sci

UWA course code: 72530
CRICOS code: 074951G
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$38,300

**COURSE DESCRIPTION**

An interdisciplinary approach to problem solving is essential in this field, meaning both the biological and earth sciences, and environmental planning and management are included in this course.

You learn how to apply important scientific methodologies to complex issues such as climate change, land rehabilitation, water resource management, and air and water pollution.
Specialisations
Choose from the following specialisations:
- Environmental Management
- Geographic Information Science and Environmental Management
- Land and Water Management
- Marine and Coastal Management

Requirements
To be considered for admission to this course an applicant must have a relevant bachelor’s degree that aligns with one of the specialisations of this course or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1. Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.
2. Students requiring more than 72 credit points will receive course advice specifying additional units.

Graduate Diploma in Exercise Rehabilitation
study.uwa.edu.au/gd/exercise-rehab

UWA course code: 50380
CRICOS code: 08162E
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION
Develop your knowledge and expertise of exercise rehabilitation to either prevent or manage chronic diseases and injuries. Upon successful completion you will satisfy the requirements for accreditation by the Exercise and Sports Science Australia.

Requirements
(a) a bachelor’s degree with a major in Human Movement, Sport Science, or Exercise and Health, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent; and
(c) either:
   (i) Sport Scientist accreditation with Exercise and Sports Science Australia (ESSA); or
   (ii) a completed Graduate Entry Assessment with ESSA

Master of Exercise Science (thesis and coursework)
study.uwa.edu.au/m/exercise-sci

UWA course code: 51610
CRICOS code: 064926B
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$19,650

COURSE DESCRIPTION
The Master of Exercise Science is designed for graduates who seek advanced knowledge in one of the sub-discipline areas within exercise science.

Specialisations
Choose from the following specialisations:
- Sport and Exercise Science
- Sport and Recreation Management

The Sport and Exercise Science specialisation offers a choice of units within biomechanics; motor control and learning; exercise physiology and biochemistry; health behaviour; performance psychology and exercise rehabilitation.

The Sport and Recreation Management specialisation includes core and elective units from both the UWA Business School and Faculty of Science.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) a Graduate Diploma in Exercise Rehabilitation, a Graduate Diploma in Sport and Recreation Management, or a Graduate Diploma in Work, Health and Safety, or an equivalent qualification.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1. Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.
2. Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Forensic Anthropology
study.uwa.edu.au/m/forensic-anthropology

UWA course code: 51610
CRICOS code: 064926B
Duration: 1 year
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD$39,300

COURSE DESCRIPTION
The Graduate Certificate in Forensic Anthropology has been designed specifically to acquaint students with current developments in forensic sciences and particularly those medical and social sciences which are of direct relevance to the application to forensic anthropology.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA;
(b) a Graduate Certificate in Forensic Anthropology, or an equivalent qualification, as recognised by UWA.

Master of Forensic Anthropology
study.uwa.edu.au/m/forensic-anthropology

UWA course code: 72580
CRICOS code: 093807B
Duration: 2 years
Intake period: February
Mode of study: coursework
2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION
The Master of Forensic Anthropology has been designed specifically for students to gain knowledge in current developments in forensic sciences and particularly those medical and social sciences which are of direct relevance to the application to forensic anthropology.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) a Graduate Diploma in Forensic Anthropology or an equivalent qualification, as recognised by UWA.

Faculty of Science

The University of Western Australia | International Postgraduate Course Guide 2018–2019 65
**Master of Geographic Information Science**

study.uwa.edu.au/m/geo-info-sci

UWA course code: 71570  
CRICOS code: 033877D  
Duration: 1.5–2 years  
Intake period: February, July  
Mode of study: coursework or coursework and dissertation  
2018 tuition fee (per year): AUD$39,300

** COURSE DESCRIPTION **

Learn Geographic Information Systems (GIS) techniques, spatial problem solving, and how to implement and manage GIS projects. The course develops your practical, technical and research skills across spatial analytic techniques, GIS and remote sensing technologies, cartography and geovisualisation, and spatial programming.

** Requirements **

To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.

** Note:** Students may apply to undertake a research project within this degree.

** Minimum course duration:** 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

** Maximum course duration:** Two years full-time comprising 96 points of taught units.

1. Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points of admission credit.

2. Students requiring more than 72 credit points will receive course advice specifying additional units.

---

**Master of Health Science**

study.uwa.edu.au/m/health-sci

UWA course code: 71540  
CRICOS code: 063662M  
Duration: 1.5–2 years  
Intake period: February, July  
Mode of study: coursework  
2018 tuition fee: AUD$37,300

** COURSE DESCRIPTION **

The course provides you with a unique, integrated combination of three key platforms: public health, advanced study in a related science discipline, and an industry practicum.

The course encompasses a range of biomedical and health disciplines crucial to human health and wellbeing. These are complemented by a Public Health focus (i.e. health promotion, research, policy and administration) and a practicum component within a health-related enterprise. The course is taught by both the Faculty of Science and the Faculty of Health and Medical Sciences.

** Specialisations **

Choose from the following specialisations:

- Exercise and Health  
- Human Biology  
- Neuroscience  
- Physiology

** Requirements **

To be considered for admission to this course an applicant must have a bachelor’s degree with a major in a biomedical or health science discipline that aligns with one of the specialisations of this course, or an equivalent qualification, as recognised by UWA.

** Note:** Students may apply to undertake a research project within this degree.

** Minimum course duration:** 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

1. Students with a bachelor’s degree or major in an area of study related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

2. Students requiring more than 72 credit points will receive course advice specifying additional units.

---

**Master of Geoscience**

study.uwa.edu.au/m/geoscience

UWA course code: 72550  
CRICOS code: 014954D  
Duration: 2 years  
Intake period: February, July  
Mode of study: coursework or coursework and dissertation  
2018 tuition fee (per year): AUD$39,300

** COURSE DESCRIPTION **

Geoscience focuses on all aspects of Earth materials, history and evolution including geology, geophysics, geochemistry and geobiology. This course provides advanced study in a wide variety of topics to enable you to develop advanced geoscience skills and understanding.

There is a strong focus on application to resources (e.g. minerals and petroleum) and environmental issues and you are able to select topics relevant to your current or future employment.

** Requirements **

To be considered for admission to this course an applicant must have a bachelor’s degree with a geology major, or an equivalent qualification, as recognised by UWA.

** Note:** Students may apply to undertake a research project in the second year of this course.

---

**Master of Hydrogeology**

study.uwa.edu.au/m/hydrogeology

UWA course code: 72540  
CRICOS code: 014942K  
Duration: 1.5–2 years  
Intake period: February  
Mode of study: coursework or coursework and dissertation  
2018 tuition fee: AUD$39,300

** COURSE DESCRIPTION **

Hydrogeology deals with the distribution, flow and interaction of groundwater water, or an equivalent qualification, as recognised by UWA.

** Note:** Students may apply to undertake a research project in the second year of this course.

---

**English language requirements**

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc

** Requirements **

To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

** Note:** Students may apply to undertake a research project within this degree.

** Minimum course duration:** 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

1. Students with a bachelor’s degree or major in an area of study related to their specialisations may be granted up to 24 points of admission credit in recognition of prior learning.

2. Students requiring more than 72 credit points will receive course advice specifying additional units.

---

**Master of Industrial and Organisational Psychology**

study.uwa.edu.au/m/indust-org-psych

UWA course code: 72560  
CRICOS code: 077549D  
Duration: 2 years  
Intake period: February  
Mode of study: coursework and dissertation  
2018 tuition fee (per year): AUD$37,300

** COURSE DESCRIPTION **

Learn how to apply your knowledge within the workplace to improve organisational effectiveness and the quality of work life. The two-year course combines coursework, research and practical placement to prepare work-ready graduates.

** Requirements **

To be considered for admission to this course an applicant must have an accredited bachelor’s degree, or an equivalent qualification as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board’s English language registration standard.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on:

- (a) a satisfactory personal statement, as recognised by UWA; and
- (b) two satisfactory referees, as recognised by UWA; and
- (c) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and
- (d) an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on...
Australia IELTS requirements. Applicants must meet the UWA minimum English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0).

English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0).

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

Master of Industrial and Organisational Psychology and Doctor of Philosophy

study.uwa.edu.au/m/indust-org-psych-phd

UWA course code: 03880/54580
CRICOS code: 07770D
Duration: 4 years
Intake period: February
Mode of study: coursework only and thesis only
2018 tuition fee (per year): AUD$37,300

COURSE DESCRIPTION

Become an expert in industrial and organisational psychology with a combined coursework and doctoral research psychology course that includes a practical placement program. Graduates gain a specialised understanding of the best techniques to improve organisational effectiveness and the quality of work life, as well as develop new knowledge in this specialised area with the PhD component.

Requirements

To be considered for admission to this course an applicant must have:

- a PhD proposal approved by the Board of the Graduate Research School, or
- an accredited bachelor's honours degree in psychology with an upper second class Honours (2A), or an equivalent qualification, as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on:

- (a) a satisfactory personal statement, as recognised by UWA; and
- (b) two satisfactory referees, as recognised by UWA; and
- (c) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and
- (d) an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on (a), (b) and (c) and the interview quota for that year; and
- (e) the intake quota for that year.

Note: Applicants are required to provide additional documents within their application. Visit study.uwa.edu.au/c/indust-org-psych for details.

Applicants must secure a potential supervisor before submitting an application. Visit science.uwa.edu.au.

English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0).

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

Master of International Development

study.uwa.edu.au/m/int-development

UWA course code: 71550
CRICOS code: 083850D
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$36,200

COURSE DESCRIPTION

The Master of International Development, taught by the Faculty of Science and the Faculty of Arts, Business, Law and Education engages you with the contemporary challenges of addressing poverty and inequality globally through an emphasis on empirical evidence, real-world case studies, and debates.

You develop the knowledge and skills to approach practical and policy challenges in a wide range of contexts by drawing on expertise from development geographers, political scientists, resource economists and development practitioners.

Specialisations

Choose from the following specialisations:

- Economics of Development
- Development Policy and Practice
- Politics and Development

Requirements

(a) a relevant bachelor's degree or equivalent as recognised by UWA; or
(b) a bachelor's degree with a geology major or an equivalent qualification, as recognised by UWA.

Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

Students requiring more than 72 credit points will receive course advice specifying additional units.

This course aims to develop graduates with advanced skills in geological and geophysical data analysis and integration of datasets related to sedimentary basin analysis and petroleum geoscience.

Requirements

(a) a relevant bachelor's degree or equivalent as recognised by UWA; or
(b) a bachelor's degree with a geology major or an equivalent qualification, as recognised by UWA.

Master of Petroleum Geoscience

study.uwa.edu.au/m/petroleum-geoscience

UWA course code: 73540
CRICOS code: 093309J
Duration: 2 years
Intake period: February
Mode of study: coursework
2018 tuition fee (per year): AUD$39,300

This course aims to develop graduates with advanced skills in geological and geophysical data analysis and integration of datasets related to sedimentary basin analysis and petroleum geoscience.

Requirements

(a) a relevant bachelor's degree or equivalent as recognised by UWA; or
(b) a bachelor's degree with a geology major or an equivalent qualification, as recognised by UWA.

UWA course code: 00710
Duration: 2 years
Intake period: Throughout the year
Mode of study: research
2018 tuition fee (per year): AUD$39,500

COURSE DESCRIPTION

A relevant bachelor’s degree with honours of this University, with a weighted average of at least 70 per cent in those units for which the results contribute to the calculation of the honours classification, or equivalent, as recognised by UWA.

Note: Students must indicate subject area and have supervisor approval at time of application.

Master of Science Communication

study.uwa.edu.au/m sci-comm

UWA course code: 51580
CRICOS code: 06164L
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$37,300

COURSE DESCRIPTION

Students learn principles of effective science communication, develop practical skills necessary for effective science communication, and design strategies that address the communication needs of groups such as government organisations, informal museums, science centres and research centres. Students select from options such as science communication for change in industry and community, science performance, a workplace project, science in the media, learning technologies, and displays and exhibits.

Requirements

A bachelor’s degree in science, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1 Students requiring more than 72 credit points will receive course advice specifying additional units.

Requirements

A relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1 Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Urban and Regional Planning

study.uwa.edu.au/m/urban-reg-planning

UWA course code: 72560
CRICOS code: 071960F
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION

Urban and regional planning focuses on some of the major challenges facing society, including population growth, rapid urbanisation, poverty and homelessness, land use conflict, cultural diversity, economic development, and ecological sustainability.

You develop the skills to help resolve major urban and regional problems, and undertake a practicum component. Our teaching is supported by the world-class Centre for Regional Development and the Planning and Transport Research Centre. UWA also has strong links with the Planning Institute Australia (WIA).

Requirements

A relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1 Students requiring more than 72 credit points will receive course advice specifying additional units.

Graduate Diploma in Sport and Recreation Management

study.uwa.edu.au/gd/sport-recreation-management

UWA course code: 70630
CRICOS code: 059945E
Duration: 1 year
Intake period: February, July
Mode of study: thesis, and coursework
2018 tuition fee (per year): AUD$39,300

COURSE DESCRIPTION

Become a well-rounded sports and recreation professional with this diploma which equips you with the skills to succeed in this vibrant industry.

The course is primarily focused on sports and recreation units, but you also gain knowledge across accounting, marketing, management, human resources and psychology, so you become a career-ready graduate.
Graduate Diploma in Work Health and Safety

study.uwa.edu.au/gd/work-health-safety

UWA course code: 52330
CRICOS code: 072533M
Duration: 1 year
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$37,300

COURSE DESCRIPTION

Develop your knowledge in Work, Health and Safety (WHS) including the scientific, behavioural, legal and business aspects. The course informs you of the science behind policy and practice and provides you with the opportunity to participate in work health and safety initiatives with a practicum component.

The Graduate Diploma in Work Health and Safety meets the requirements for professional membership across a number of organisations.

Requirements

(a) a Bachelor of Science, Bachelor of Engineering, or Doctor of Medicine.
(b) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) at least two years of full-time relevant professional experience.

Master of Work Health and Safety

study.uwa.edu.au/m/work-health-safety

UWA course code: 74530
CRICOS code: 093380B
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD$37,300

COURSE DESCRIPTION

This course focuses on developing knowledge and skills in the area of Work Health and Safety (WHS). Specifically, the scientific, behavioural, legal and business aspects of WHS are addressed with sufficient content to satisfy the requisite knowledge for professional membership in a number of organisations.

Requirements

(a) a Bachelor of Science, Bachelor of Engineering, or Bachelor of Medicine and Bachelor of Surgery or an equivalent qualification, as recognised by UWA; or
(b) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and at least two years of full-time relevant professional experience.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc
The following programs are available to candidates who are applying to study while continuing to live overseas. The mode of delivery for these degrees is mainly online, though several include a residential component. Students are required to attend short-term intensive classes and are responsible for arranging their own travel and visa. International student visas are not available for these courses.

These programs are not available to those entering Australia on an international student visa.

Postgraduate study online and through multimode programs can only be undertaken by coursework.

For detailed course information visit studyat.uwa.edu.au

Graduate Certificate in Adult Sleep Science
studyat.uwa.edu.au/gc/adult-sleep-science

**UWA course code:** 51210
**Duration:** 8.5 years
**Intake period:** February full-time or July part-time
**Mode of study:** coursework online and residential

**2017 tuition fee:** AUD$13,950

**COURSE DESCRIPTION**

This course provides you with an understanding of sleep and circadian biology and the skills to use sophisticated equipment and instrumentation in order to perform laboratory-based and portable sleep studies as well as apply different protocols to sleep monitoring and perform basic scoring and analysis of sleep studies. Online and laboratory-based units are used to synthesise knowledge and ensure translation of this knowledge into practical competencies.

Two online units are completed in the first semester. You need to be in Perth for two weeks in June/July to complete the intensive practical portion of the two units that follow.

**Requirements**

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or

(b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; and

(c) a current National Police Certificate, indicating no criminal conviction.

Currency of National Police Certificate is 12 months.

Graduate Diploma in Sleep Science
studyat.uwa.edu.au/gd/sleep-science

**UWA course code:** 52210
**Duration:** 1 year
**Intake period:** February full-time or July part-time
**Mode of study:** coursework, online and residential

**2017 tuition fee:** AUD$27,900

**COURSE DESCRIPTION**

The Graduate Diploma in Sleep Science provides advanced competencies for a sleep technologist, based on a higher order of theoretical content than the certificate. The course provides you with advanced practical skills in sleep scoring and application of therapies for sleep disorders and practical skills in management of a sleep laboratory.

The Graduate Diploma in Sleep Science articulates with the Graduate Certificate in Adult Sleep Science. Those who hold the Graduate Certificate in Paediatric Sleep Science are required to take an additional unit in Adult Sleep Science.

The course comprises eight units; four units from the Graduate Certificate in Adult Sleep Science, and four units designed to provide advanced competencies for a sleep technologist.

Each online unit, consisting of six modules, can be completed over a 12-week period in either the first or second half of the year. Four practical units are delivered by a combination of online and practical work, each consisting of three modules.

You must be in Perth to attend the practical components of these units delivered over two two-week periods, one in June/July and one in November/December. The intensive practical units provide you with hands-on experience in a sleep laboratory in order to synthesise knowledge and ensure translation of the theoretical.

**Requirements**

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(b) a current National Police Certificate, indicating no criminal conviction.

1 Currency of National Police Certificate is 12 months.

Graduate Diploma in Dental Sleep Medicine
studyat.uwa.edu.au/gd/dental-sleep-medicine

**UWA course code:** 52340
**Duration:** two years part-time (usual) or one year full-time
**Intake period:** February, July
**Mode of study:** coursework, online

**2017 tuition fee:** AUD$42,800

**COURSE DESCRIPTION**

This course is specifically aimed at providing dental practitioners with formal training in sleep medicine to complement clinical training in the use of oral devices used in the treatment of sleep apnoea. In addition to theoretical knowledge, you assess and report the progress of actual cases.

Although this course is completely online, you are assumed to have access to a sleep laboratory or clinic near your home or practice, where you can develop a relationship with a local respiratory physician or dedicated sleep physician who can act as a mentor as well as facilitate sleep laboratory visits. The usual mode of study is part-time to enable you to continue with your clinical practice while studying.

You complete eight units involving both the study of sleep and the treatment of sleep disorders.

**Requirements**

(a) a Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA;

(b) at least two years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

(c) Applicants must be registered to practice dentistry, which can be demonstrated by;

(i) registration on the Australian Health Practitioner Registration Agency website; or

(ii) satisfactory documentation showing registration with an international accreditation body, as recognised by UWA.
Facilities

UWA has a distinctive mix of grand architecture and contemporary buildings housing state-of-the-art teaching and research facilities, lecture and performance theatres, tutorial spaces, studios and subject-specific laboratories for the perfect learning environment.

Some of UWA’s outstanding facilities include:

- **Bayliss Building** home to the School of Molecular Sciences and a thriving centre for world-class research, incorporating advanced labs and the latest technology.

- **Reid Library** with more than one million books and a range of collaborative learning spaces, complemented by several specialist subject libraries around the campus.

- **Barry J Marshall Library** for science students, featuring soundproofed study rooms, multimedia suites and a café named after the University’s Nobel Prize-winning professor.

- **Multimillion-dollar Indian Ocean Marine Research Centre (IOMRC)** housing the largest marine research capability in the Indian Ocean Rim.

- **Australia’s premier medical and surgical skills Clinical Training and Education Centre (CTEC)** and one of the most advanced medical technology complexes in the world, enabling students to be taught in an interactive hospital-style setting using cutting-edge simulations.

- **The Cultural Precinct** plays host to venues such as UWA’s Octagon and Dolphin Theatres, the Lawrence Wilson Art Gallery, providing for music, theatre, dance, literature and art exhibition programs such as the Perth International Arts Festival.

- **Oral Health Centre** offering students the most modern teaching and clinical services available.

- **$9m C02 Research Facility** housing a state-of-the-art chemical engineering teaching lab with a Chevron-funded suite of processing equipment covering refrigeration, distillation, multiple-variable control and absorption.

- **The UWA Business School** educating tomorrow’s leaders in a $50 million contemporary building, overlooking the picturesque Swan River.

- **Harry Perkins Institute of Medical Research** within the Queen Elizabeth II Medical Centre and home to leading UWA researchers.

- **UWA’s Energy and Minerals Institute** facilitating industry engagement with state-of-the-art facilities and expertise in the key areas of energy and minerals research.

- **EZONE UWA** featuring a network of flexible teaching, research and industry engagement spaces designed to deliver outstanding graduates and innovative solutions in the fields of engineering and mathematical sciences.

The **Business School Financial Markets Trading Room** project will provide a simulated trading and analysis centre for students.
We understand how important it is to you to find good-quality accommodation close to the UWA campus. There are many accommodation options available designed to suit your individual needs.

Living on campus
Living on campus gives you an immediate sense of belonging and an instant circle of friends from across Australia and around the world.

UWA's five residential colleges – St Catherine's College, St George's College, St Thomas More College, Trinity and University Hall – each offer a valuable dimension to your UWA experience.

On-campus accommodation is located directly opposite the University and offers you a world-class living and learning environment. The colleges provide academic support, a full calendar of sporting, cultural and social events; leadership opportunities; and fantastic facilities in a warm and welcoming home away from home.

How to apply
1. Research the college via its website to decide which suits you best.
2. Complete and submit your application via the online portal at livingoncampus.uwa.edu.au
3. You will be contacted directly by your first preference college within two weeks.

74 study.uwa.edu.au
Living off campus

Crawley Village is a group of houses, units and studio apartments owned and operated by UWA that are either offered unfurnished or with partial furnishings.

Properties are located within walking distance of the UWA campus, shops, cafes and restaurants, banks and other amenities, and are ideally suited to postgraduate students or students with families.

You can rent an apartment, unit or house on your own or you can share with others. Whether you choose to rent a UWA-owned property or one that is privately or commercially listed, please note that you take full responsibility for the property and sign a rental contract.

As a guide, the average cost of renting or leasing an unfurnished one- or two-bedroom unit close to UWA is between AUD$285 and AUD$450 per week. There are also establishment costs to consider, such as a bond. Other costs, such as electricity and/or gas, telephone and food, are usually not included in the weekly rent.

UWA Accommodation provides an online housing database for UWA students. International students who have been offered a place at UWA, but have not yet enrolled, can still create an account and access the database. This searchable database includes properties listed by UWA students or staff members who have a vacant property to rent, or other UWA students looking to share a property.

Scholarships and sponsorships are available to support international students enrolling in postgraduate coursework and postgraduate research degrees at UWA.

To help you pursue your ambitions, we offer a range of scholarships to attract and support talented students. For detailed information visit scholarships.uwa.edu.au/future-students/postgrad.

UWA’s funding opportunities include:

**International Research Training Program (RTP)**

The purpose of the RTP Scholarships is to attract top-quality international postgraduate students to the University and to support Australia’s research efforts. Successful applicants can expect to become members of a research team working under the direction of senior researchers and in an area which has attracted external resources. scholarships.uwa.edu.au/future-students/postgrad/international

**Fee Offset Scholarships**

For detailed information visit scholarships.uwa.edu.au/future-students/postgrad.

**International scholarships (funded by UWA)**

These scholarships are awarded by the University to assist and encourage international students to undertake postgraduate coursework studies in a particular faculty or specific discipline at UWA. Scholarships are awarded to students who have achieved academic excellence in a subject or course.

**Australia Awards (funded by the Australian Government)**

Australia Awards are prestigious international scholarships and fellowships funded by the Australian Government offering high-achieving students the opportunity to undertake study, research and professional development. Categories include:

- Scholarships and Fellowships
- Leadership Program
- Endeavour Scholarships and Fellowships
- Fellowships (administered by ACIAR)
australiaawards.gov.au

**Endeavour Scholarships and Fellowships (funded by the Australian Government)**

Endeavour Scholarships and Fellowships are the Australian Government’s internationally competitive, merit-based scholarship program, providing opportunities for citizens of the Asia Pacific, the Middle East, Europe and the Americas to undertake study, research and professional development in Australia. internationaleducation.gov.au/endeavour

**Sponsorships (funded by international governments, universities and other organisations)**

UWA works with a broad range of governments and organisations in the provision of funding arrangements for international students at UWA.

Funding of the sponsorship is usually from an organisation within the student’s home country.

**Forrest Research Foundation Scholarships**

Scholarships are offered across all five Western Australian universities to outstanding students who wish to undertake high-quality research and enrol in a Doctor of Philosophy (PhD) at a Western Australian university. forrestresearch.org.au

**UWA China Scholarships**

The China Scholarship Council (CSC) and UWA offer postgraduate research scholarships each year to students from the People’s Republic of China who intend to undertake a Doctor of Philosophy (PhD) degree at UWA.

**The Dean’s Excellence in Science PhD Scholarships**

The Dean’s Excellence in Science PhD Scholarships are awarded to academically outstanding international and domestic students wishing to undertake a research doctorate (PhD) in the Faculty of Science.
Supporting you

UWA’s International Student Support team helps you settle into university life by supporting you both academically and personally, from before you arrive in Australia to long after you’ve settled into a routine.

If you need help along the way, you only need to ask. The International Students’ Service (ISS) is part of the Student Guild and looks after the welfare of international students studying at the University. ISS also puts on social and educational activities such as a trip to Rottnest and Spring Feast. facebook.com/UWAInternationalStudentsService

If you have a disability or medical condition, UniAccess ensures you can enjoy university life to the full, from sourcing assistive technologies to organising alternative examination arrangements. uniaccess.uwa.edu.au

STUDYSmarter can help you to improve your study habits and learn more effectively. It gives you access to learning groups, workshops and online resources, as well as coaching in research techniques, time management, public speaking, assignment preparation and more. studysmarter.uwa.edu.au

At the Careers Centre, you can find help with long-term career planning or finding part-time employment while studying. It can also give advice on improving your resumé and interview skills, or put you in touch with future employers through career expos. careers.uwa.edu.au

When health problems arise, UWA’s on-campus Medical Centre is your destination for comprehensive medical care. student.uwa.edu.au/life/health/medical-centre

The UWA community also provides a professional and confidential counselling and psychological service for students, offering referrals to specialists on and off campus should you need them. The service is free for all students. counselling.uwa.edu.au

For students with family commitments, the UWA Early Learning Centre can provide either part-time or full-time day care for children aged from six weeks to five years. childcare.uwa.edu.au

LACE (Language and Cultural Exchange) is an intercultural friendship program open to postgraduate students and staff which runs regular social events. study.uwa.edu.au/lace
Money matters

As a student you are eligible to receive discounts for experiences, food and drink, entertainment and more.

Sightseeing Pass Australia
15% discount on select tours and attractions around Western Australia.¹
sightseeingpassaustralia.com

Boat Collective
50% off all Floating Sessions, departing from Elizabeth Quay.¹
boatcollective.com.au

Segway Tours
20% off Segway tours of Perth, Fremantle and Rottnest.¹
segwaytourswa.com.au

STA Travel
Receive student-discounted flights through STA Travel, located at the UWA Guild Village 1st Floor.
statravel.com.au/uwa.htm

Around campus you can receive 10% off at the Guild’s seven food and drink outlets.¹

Boost Juice
Vibe members discounts through the Boost Juice app only.
vibe.boostjuice.com.au

Luna Palace Cinemas
Student concession discounts on movie tickets and cheap tickets on certain days of the week.
lunapalace.com.au

The UWA Student Guild currently has more than 100 Guild member discounts for various food, activities, fitness, shopping and services around Perth.

³ Guild student discounts are available through the UWA Guild and are subject to change each year.
⁴ To see the full list of special offers, visit uwa.studentguild.com/2017-guild-member-discounts.
Cost of living

The annual cost of living in Perth depends on your lifestyle and the type of accommodation you choose, however AUD$450–$650 per week is generally sufficient for most single students to live comfortably (this does not include tuition fees or medical cover). Please consider extra funds to cover various items such as airfares and textbooks. There may also be ancillary fees applicable to your course.

Working in Australia as an international student

Under the terms of a student visa, once an international student has commenced their course they may work up to 40 hours per fortnight while their course is in session and unlimited hours during scheduled course breaks.

border.gov.au

Student Services and Amenities Fee (SSAF)

The UWA Student Services and Amenities Fee (SSAF) is a compulsory fee that directly benefits all UWA students. The fee is used to develop and provide a range of recreational facilities together with social, education and representation activities and services.

study.uwa.edu.au/fees-scholarships

Overseas Student Health Cover (OSHC)

The Department of Immigration and Border Protection requires international students applying for a student visa to have Overseas Student Health Cover (OSHC) for the entire duration of their student visa. This is not applicable to students from Norway and Sweden, who are covered under a separate arrangement.

OSHC is offered by a number of providers. You may obtain OSHC from the provider of your choice. study.uwa.edu.au/international/health

The University of Western Australia has a ‘preferred provider’ agreement with Allianz Global Assistance. On acceptance and payment of your offer, UWA arranges health cover with Allianz Global Assistance for the duration of your student visa.

For information on the University’s agreement with Allianz Global Assistance, refer to study.uwa.edu.au/international/health

Scholarships

International students can apply for financial support in their local country through sponsorship programs, and in some countries, with the Australian Government Australia Awards programs.

study.uwa.edu.au/fees-scholarships

Business School Scholarships

Perth Energy Scholarship

The Perth Energy Scholarship is available to international students after their first year of a Bachelor of Commerce at UWA, and is awarded on the basis of academic excellence. The scholarship is valued at AUD$10,000.

business.uwa.edu.au/scholarships
How to apply

Applicants are expected to have completed an undergraduate degree at an approved university and undertaken adequate preparation for the degree for which they are applying. For PhD admission requirements see page 81.

1 Apply online
- Submit an online application to study.uwa.edu.au/how-to-apply/lodging-your-application that includes all necessary documentation specified in the admission requirements of your course. For admission requirements details visit studyat.uwa.edu.au or
- Submit your application through a UWA overseas representative in your country. A complete list of representatives can be found at study.uwa.edu.au/international-agents
- UWA assesses your application, and if successful, you are issued an offer package, which includes a letter of offer, acceptance documents and other documents if necessary.

1 Lodge an application
Submit an application to the respective HDR support team in the faculty or to an authorised UWA representative. This should include:
- a completed research application form, which is available at study.uwa.edu.au/how-to-apply/lodging-your-application
- all certified documents as listed on the application form
- a brief outline (maximum 250 words) of your proposed research project

Successful applicants are sent an offer package electronically, including a letter of offer, acceptance documents and other documents if appropriate. You should allow six to eight weeks for your application to be processed.

For information on applying for a research scholarship, see page 76.

Your first steps
Contact the Higher Degree by Research (HDR) support team in the most appropriate faculty to help identify your potential supervisor:
- Faculty of Arts, Business, Law and Education
  Email: hdr-fable@uwa.edu.au
- Faculty of Engineering and Mathematical Sciences
  Email: hdr-ems@uwa.edu.au
- Faculty of Health and Medical Sciences
  Email: hdrenquiries-fhms@uwa.edu.au
- Faculty of Science
  Email: hdr-enquiry-science@uwa.edu.au

Consult UWA’s Research Publications and Expertise for information on appropriate supervisors at research.publishing.uwa.edu.au. Read the profiles of our Research Leaders, who may be potential supervisors at research.uwa.edu.au/fellows

Prepare your research proposal: Prepare a brief outline (maximum 250 words) of your proposed area of study to discuss with a prospective supervisor.

Discuss your resources: Find out what resources are available to you as a postgraduate research student, as these vary depending on the school in which you enrol.

Be informed: There is useful information online for future research students, including how to prepare a research proposal. Visit study.uwa.edu.au/research/becoming-a-research-student
2 Accept your offer
On receipt, complete, sign and return the acceptance and refund documents together with payment or sponsorship details for the first semester and overseas health cover (visa length cover), either directly to UWA or via one of UWA’s official overseas representatives.

For more information on how to apply to UWA directly, visit study.uwa.edu.au or study.uwa.edu.au/international-agents

3 Confirm your enrolment
UWA issues a Confirmation of Enrolment (CoE) package that contains a letter of welcome including links to our pre-departure and on-campus accommodation guides and a Confirmation of Enrolment.

4 Flights and visas
You are required to make your own travel and student visa arrangements. UWA’s overseas representatives can help with these arrangements if you need any additional advice or assistance. In some countries, student visas may be obtained electronically.
Visit border.gov.au

PhD/MPhil admission requirements
Approval for admission to a PhD/MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and for the University to ensure that appropriate supervision and resourcing are available.

Applicants are required to demonstrate that they have met the requirements of the University Policy on Adequate Research Preparation and any other requirements for admission of the University, and

(a) have a bachelor’s degree of this University or equivalent qualification;
or

(b) (i) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree;
and

(ii) have completed an appropriate PhD/MPhil research proposal;

A student who wishes to undertake a PhD/MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books.

Prior to enrolment, all applicants are required to demonstrate that they have met the University’s English language requirements.

Am I a domestic or international student?

You are an international student if you are:
• a temporary resident (visa status) of Australia,
• a permanent resident (visa status) of New Zealand, or
• a resident or citizen of any other country.

You are an Australian domestic student if you are:
• an Australian citizen,
• an Australian permanent resident (holders of all categories of permanent residency visas, including humanitarian visas), or
• a New Zealand citizen.

For information on applying online, visit study.uwa.edu.au/how-to-apply/ lodging-your-application
Help with English language skills

UWA Centre for English Language Teaching (CELT)

UWA CELT offers accredited English Language Intensive Courses for Overseas Students (ELICOS) programs in General English, Business English and English for Academic Purposes, as well as preparation for internationally recognised examinations such as the IELTS and Test of English as a Foreign Language (TOEFL).

Academic English and Study Skills Bridging Course (Bridging Course)

The Bridging Course has been designed for international students who wish to study at UWA but do not have the University’s required level of English proficiency. The course is also suitable for students with unconditional entry into UWA who would like to further develop their language ability and confidence before commencing tertiary study.

A 70 per cent pass in the Bridging Course meets the University’s English language requirement for most undergraduate and postgraduate courses, although some postgraduate courses have a higher English language requirement. celt.uwa.edu.au

study.uwa.edu.au/else

Bridging Course minimum entry requirements

## Terminology

### GRADUATE CERTIFICATE
Typically follows a bachelor’s degree and is equivalent to one semester of full-time study.

### GRADUATE DIPLOMA
Regarded as a higher qualification and offers greater depth than a graduate certificate and is generally equivalent to two semesters (or one year) of full-time study.

### MASTER’S DEGREE (COURSEWORK)
Comprises 100 per cent coursework. It is normally the equivalent of two years of full-time study after a bachelor’s degree (or equivalent).

### MASTER’S DEGREE (COURSEWORK AND DISSERTATION)
Involves both coursework and research, where the research component (dissertation) comprises less than 66.6 per cent of the course requirements. Typically requires two years of full-time study (or equivalent) after a bachelor’s degree.

### POSTGRADUATE PROFESSIONAL DEGREE
A master’s or doctorate-level course, taken upon completion of a bachelor’s degree (or equivalent) that, upon successful completion, qualifies you to enter a profession.

### MASTER’S DEGREE (THESIS AND COURSEWORK)
A mixed-mode research degree with a research component equal to or greater than 66.6 per cent, but less than 100 per cent, of the total course. Typically requires two years of full-time study (or equivalent) after a bachelor’s degree.

### MASTER’S DEGREE (RESEARCH)
A course normally requiring the equivalent of two years of full-time study and including a supervised research component that represents 100 per cent of the course requirements.

### PROFESSIONAL DOCTORATES AND PHD (DOCTOR OF PHILOSOPHY)
A doctoral degree, normally undertaken over a period of four years of full-time study, consists of supervised research resulting in the preparation of a thesis that makes a substantial and original contribution to knowledge.
